§ 260.59 What penalty relief is available to a State that failed to comply with the five-year limit on Federal assistance because it provided federally recognized good cause domestic violence waivers?

Subpart C—What Special Provisions Apply to States that Were Operating Programs Under Approved Waivers?

§ 260.59 (d) To receive the penalty relief specified in paragraphs (a), (b), and (c) of this section, the State must submit the information specified at § 265.9(b)(5) of this chapter.

(a) Under section 415 of the Act, if a State was granted a waiver under section 1115 of the Act and that waiver was in effect on August 22, 1996, the amendments made by PRWORA do not apply for the period of the waiver, to the extent that they are inconsistent with the waiver and the State elects to continue its waiver.

(b) Identification of waiver inconsistencies is relevant for the determination of penalties in three areas:

(1) Under § 261.50 of this chapter for failing to meet the work participation rates at part 261 of this chapter;

(2) Under § 264.2 of this chapter for failing to comply with the five-year limit on Federal assistance at subpart A of part 264 of this chapter; and

(3) Under § 261.54 of this chapter for failing to impose sanctions on individuals who fail to work.

(c) This subpart explains how we will determine waiver inconsistencies and apply them in the penalty determination process for these penalties.

§ 260.71 What definitions apply to this subpart?

(a) Inconsistent means that complying with the TANF work participation or sanction requirements at section 407 of the Act or the time-limit requirement at section 408(a)(7) of the Act would necessitate that a State change a policy reflected in an approved waiver.

(b) Waiver consists of the work participation or time-limit component of the State’s demonstration project under section 1115 of the Act. The component includes the revised AFDC requirements indicated in the State’s waiver list, as approved by the Secretary under the authority of section 1115, and the associated AFDC provisions that did not need to be waived.

(c) Control group and experimental group have the meanings specified in the terms and conditions of the State’s demonstration.
