§ 1301.10

and unbiased opinions, conclusions, and judgments.

Indirect costs mean those costs of a Head Start agency, as approved by the cognizant agency, the agency which has authority to set the grantee’s indirect cost rate, which are not readily identifiable with a particular project or program but nevertheless are necessary to the general operation of the agency and the conduct of its activities.

Major disaster means any natural disaster or catastrophe which is of such severity and magnitude as to directly affect the capability of the Head Start agency of agencies providing Head Start programs to the damaged community to continue the programs without an increase in the Federal share above 80 percent.

Program costs mean costs incurred in accordance with an approved Head Start budget which directly relate to the provision of program component services, including services to children with disabilities, as set forth and described in the Head Start Program Performance Standards (45 CFR part 1304).

Responsible HHS official means the official of the Department of Health and Human Services who has authority to make grants under the Act.

Total approved costs mean the sum of all costs of the Head Start program approved for a given budget period by the Administration on Children, Youth and Families, as indicated on the Financial Assistance Award. Total approved costs consist of the Federal share plus any approved non-Federal share, including non-Federal share above the statutory minimum.

Subpart B—General Requirements

§ 1301.10 General.

(a) Except as specified in paragraph (b) of this section, the following HHS regulations shall apply to all grants made under the Act:

45 CFR part 16 Department grant appeals process (except as provided in §1301.34)
45 CFR part 46 Protection of Human Subjects
45 CFR part 75 Informal grant appeals procedures (Indirect cost rates and other cost allocations)
45 CFR part 80 Nondiscrimination under programs receiving Federal assistance through the Department of Health and Human Services—Effectuation of title VI of the Civil Rights Act of 1964
45 CFR part 81 Practice and procedure for hearings under part 80
45 CFR part 84 Nondiscrimination on the basis of handicap in Federally assisted programs.

(b) 45 CFR part 74 is superseded as follows:

(1) Section 1301.11 of this subpart supersedes §74.15 of part 74 with respect to insurance and bonding of private, non-profit Head Start agencies; and

(2) Section 1301.12 of this subpart supersedes §74.61 of part 74 with respect to audit requirements for all Head Start agencies.

§ 1301.11 Insurance and bonding.

(a) Private nonprofit Head Start agencies and their delegate agencies shall carry reasonable amounts of student accident insurance, liability insurance for accidents of their premises, and transportation liability insurance.

(b) Private nonprofit Head Start and delegate agencies shall make arrangements for bonding officials and employees authorized to disburse program funds.

§ 1301.12 Annual audit of Head Start programs.

(a) An audit of the Head Start program covering the prior budget period of each Head Start agency and its delegate agencies, if any, shall be made by an independent auditor to determine:

(1) Whether the agency’s financial statements are accurate;

(2) Whether the agency is complying with the terms and conditions of the grant; and

(3) Whether appropriate financial and administrative procedures and controls have been installed and are operating effectively. Head Start agencies shall either include delegate agency audits as a part of their own audits or provide for separate independent audits of their delegate agencies.

(b) Upon a written request showing necessity, the responsible HHS official may approve a period other than the
prior budget period to be covered by the annual audit.
(c) Unless otherwise approved by the responsible HHS official, the report of the audit shall be submitted to the responsible HHS official, in the manner and form prescribed by him or her, within 4 months after the prior budget period.

§ 1301.13 Accounting system certification.
(a) Upon request by the responsible HHS official, each Head Start agency or its delegate agency shall submit an accounting system certification, prepared by an independent auditor, stating that the accounting system or systems established by the Head Start agency, or its delegate, has appropriate internal controls for safeguarding assets, checking the accuracy and reliability of accounting data, and promoting operating efficiency.
(b) A Head Start agency shall not delegate any of its Head Start program responsibilities to a delegate agency prior to receiving a certification that the delegate agency’s accounting system meets the requirements specified in paragraph (a) of this section.

Subpart C—Federal Financial Assistance
§ 1301.20 Matching requirements.
(a) Federal financial assistance granted under the act for a Head Start program shall not exceed 80 percent of the total costs of the program, unless:
(1) An amount in excess of that percentage is approved under section 1301.21; or
(2) The Head Start agency received Federal financial assistance in excess of 80 percent for any budget period falling within fiscal year 1973 or fiscal year 1974. Under the circumstances described in clause
(3) Of the preceding sentence, the agency is entitled to receive the same percentage of Federal financial assistance that it received during such budget periods.
(b) The non-Federal share will not be required to exceed 20 percent of the total costs of the program.
(c) Federal financial assistance awarded to Head Start grantees for training and technical assistance activities shall be included in the Federal share in determining the total approved costs of the program. Such financial assistance is, therefore, subject to the 20 percent non-Federal matching requirement of this subpart.

§ 1301.21 Criteria for increase in Federal financial assistance.
The responsible HHS official, on the basis of a written application and any supporting evidence he or she may require, will approve financial assistance in excess of 80 percent if he or she concludes that the Head Start agency has made a reasonable effort to meet its required non-Federal share but is unable to do so; and the Head Start agency is located in a county:
(a) That has a personal per capita income of less than $3,000 per year; or
(b) That has been involved in a major disaster.
