§ 1301.31 Personnel policies.

(a) Written policies. Grantee and delegate agencies must establish and implement written personnel policies for staff, that are approved by the Policy Council or Policy Committee and that are made available to all grantee and delegate agency staff. At a minimum, such policies must include:

(1) Descriptions of each staff position, addressing, as appropriate, roles and responsibilities, relevant qualifications, salary range, and employee benefits (see 45 CFR 1304.52(c) and (d));

(2) A description of the procedures for recruitment, selection and termination (see paragraph (b) of this Section, Staff recruitment and selection procedures);

(b) The non-Federal share will not be required to exceed 20 percent of the total costs of the program.

(c) Federal financial assistance awarded to Head Start grantees for training and technical assistance activities shall be included in the Federal share in determining the total approved costs of the program. Such financial assistance is, therefore, subject to the 20 percent non-Federal matching requirement of this subpart.
