(j) The location of the transmitting antenna shall be considered to be the station location. Narrowband PCS licensees must maintain a current list of all station locations, which must describe the transmitting antenna site by its geographical coordinates and also by conventional reference to street number, landmark, or the equivalent. All such coordinates shall be specified in terms of degrees, minutes, and seconds to the nearest second of latitude and longitude.

§§ 24.416–24.429 [Reserved]

§ 24.430 **Opposition to applications.**

(a) Petitions to deny (including petitions for other forms of relief) and responsive pleadings for Commission consideration must comply with §1.2108 of this chapter and must:

1. Identify the application or applications (including applicant’s name, station location, Commission file numbers and radio service involved) with which it is concerned;

2. Be filed in accordance with the pleading limitations, filing periods, and other applicable provisions of §§1.41 through 1.52 of this chapter except where otherwise provided in §1.2108 of this chapter;

3. Contain specific allegations of fact which, except for facts of which official notice may be taken, shall be supported by affidavit of a person or persons with personal knowledge thereof, and which shall be sufficient to demonstrate that the petitioner (or respondent) is a party in interest and that a grant of, or other Commission action regarding, the application would be prima facie inconsistent with the public interest; and

4. Contain a certificate of service showing that it has been mailed to the applicant no later than the date of filing thereof with the Commission.

(j) The location of the transmitting antenna shall be considered to be the station location.
