§ 54.519 State telecommunications networks.

(a) Telecommunications services. State telecommunications networks may secure discounts under the universal service support mechanisms on supported telecommunications services (as described in §54.502(a)) on behalf of eligible schools and libraries (as described in §54.501) or consortia that include an eligible school or library. Such state telecommunications networks shall pass on such discounts to eligible schools and libraries and shall:

1. Maintain records listing each eligible school and library and showing the basis for each eligibility determination;
2. Maintain records demonstrating the discount amount to which each eligible school and library is entitled and the basis for such determination;
3. Take reasonable steps to ensure that each eligible school or library receives a proportionate share of the shared services;
4. Request that service providers apply the appropriate discount amounts on the portion of the supported services used by each school or library;
5. Direct eligible schools and libraries to pay the discounted price; and
6. Comply with the competitive bid requirements set forth in §54.503.

(b) Internet access and installation and maintenance of internal connections. State telecommunications networks either may secure discounts on Internet access and installation and maintenance of internal connections in the manner described in paragraph (a) of this section with regard to telecommunications, or shall be eligible, consistent with §54.502(a), to receive universal service support for providing such services to eligible schools, libraries, and consortia including those entities.

§ 54.520 Children's Internet Protection Act certifications required from recipients of discounts under the federal universal service support mechanism for schools and libraries.

(a) Definitions.

1. School. For the purposes of the certification requirements of this rule, school means school, school board, school district, local education agency or other authority responsible for administration of a school.
2. Library. For the purposes of the certification requirements of this rule, library means library, library board or authority responsible for administration of a library.
3. Billed entity. Billed entity is defined in §54.500. In the case of a consortium, the billed entity is the lead member of the consortium.
4. Statutory definitions.
   i. The term “minor” means any individual who has not attained the age of 17 years.
   ii. The term “obscene” has the meaning given such term in 18 U.S.C. 1460.
   iii. The term “child pornography” has the meaning given such term in 18 U.S.C. 2256.
   iv. The term “harmful to minors” means any picture, image, graphic image file, or other visual depiction that—
      A. Taken as a whole and with respect to minors, appeals to a prurient interest in nudity, sex, or excretion;
      B. Depicts, describes, or represents, in a patently offensive way with respect to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals; and
      C. Taken as a whole, lacks serious literary, artistic, political, or scientific value as to minors.
   v. The terms “sexual act” and “sexual contact” have the meanings given such terms in 18 U.S.C. 2246.
   vi. The term “technology protection measure” means a specific technology that blocks or filters Internet access to the material covered by a certification under paragraph (c) of this section.

(b) Who is required to make certifications? (1) A school or library that receives discounts for Internet access and internal connections services under the federal universal service support mechanism for schools and libraries, must make such certifications as described in paragraph (c) of this section. The certifications required and described in
