§ 212.2 Scope.

The procedures in this part provide guidance for the submission of emergency requirements for telecommunication channels from the United States to overseas or foreign points. Guidance on this subject was previously contained in Annex 2 of DMO 3000.1 and Mobilization Plan IX–3. Mobilization Plan IX–3 has been canceled.

§ 212.3 Responsibilities.

(a) Executive departments and agencies of the United States, whether or not components of the National Communications System (NCS), shall, to the extent permissible by law and consistent with national security, submit their international emergency telecommunications requirements to the Executive Agent, NCS, for coordination and consolidation of mobilization requirements.

(b) The Department of Defense shall coordinate NATO requirements in consonance with approved NATO/U.S. procedures for subsequent processing by the Executive Agent, NCS.

(c) The Department of State shall coordinate and approve foreign government telecommunications requirements and forward them to the Executive Agent, NCS, for further processing.

§ 212.4 Other requirements.

(a) Government, other than Executive departments and agencies of the United States, having need for emergency international telecommunication service, shall present their requirements through the appropriate sponsor to NCS.

(b) The private sector, including carriers, having need for emergency international telecommunication service, shall present their requirements to the Federal Communications Commission (FCC).
