this contract, if that employee has, or had, access to HHS information systems or data.

(i) Document information. The Contractor shall contact the Contracting Officer for any documents, information, or forms necessary to comply with the requirements of this clause.

(ii) Contractor responsibilities upon physical completion of the contract. The Contractor shall return all HHS information and IT resources provided to the Contractor during contract performance and certify that all HHS information has been purged from Contractor-owned systems used in contract performance.

(k) Failure to comply. Failure on the part of the Contractor or its subcontractors to comply with the terms of this clause shall be grounds for the Contracting Officer to terminate this contract.

352.239–73 Electronic information and technology accessibility.

(a) As prescribed in 339.201–70(a), the Contracting Officer shall insert the following provision:

ELECTRONIC AND INFORMATION TECHNOLOGY ACCESSIBILITY (JANUARY 2010)

(a) Section 508 of the Rehabilitation Act of 1973 (29 U.S.C. 794d), as amended by the Workforce Investment Act of 1998, and the Architectural and Transportation Barriers Compliance Board Electronic and Information Technology (EIT) Accessibility Standards (36 CFR Part 1194), require that, unless an exception applies, all EIT products and services developed, acquired, maintained, or used by any Federal department or agency permit—

(1) Federal employees with disabilities to have access to and use information and data that is comparable to the access and use of information and data by Federal employees who are not individuals with disabilities; and

(2) Members of the public with disabilities seeking information or services from a Federal agency to have access to and use of information and data that is comparable to the access and use of information and data by members of the public who are not individuals with disabilities.

(b) Members of the public with disabilities who are members of the public with disabilities who have access to and use information and data that is comparable to the access and use of information and data by members of the public who are not individuals with disabilities.

(b) As prescribed in 339.201–70(b), the Contracting Officer shall insert the following clause:

ELECTRONIC AND INFORMATION TECHNOLOGY ACCESSIBILITY (JANUARY 2010)

(a) Pursuant to Section 508 of the Rehabilitation Act of 1973 (29 U.S.C. 794d), as amended by the Workforce Investment Act of 1998, all electronic and information technology
(EIT) products and services developed, acquired, maintained, or used under this contract/order must comply with the “Electronic and Information Technology Accessibility Provisions” set forth by the Architectural and Transportation Barriers Compliance Board (also referred to as the “Access Board”) in 36 CFR part 1194. Information about Section 508 is available at http://www.section508.gov/. The complete text of Section 508 Final Provisions can be accessed at http://www.access-board.gov/sec508/provisions.htm.

(b) The Section 508 accessibility standards applicable to this contract/order are identified in the Statement of Work/Specification/Performance Work Statement. The Contractor must provide a written Section 508 conformance certification due at the end of each contract/order exceeding $100,000 when the contract/order duration is one year or less. If it is determined by the Government that EIT products and services provided by the Contractor do not conform to the described accessibility standards in the Product Assessment Template, remediation of the products or services to the level of conformance specified in the Contractor’s Product Assessment Template will be the responsibility of the Contractor at its own expense.

(c) In the event of a modification(s) to this contract/order, which adds new EIT products or services or revises the type of, or specifications for, products or services the Contractor is to provide, including EIT deliverables such as electronic documents and reports, the Contracting Officer may require that the contractor submit a completed HHS Section 508 Product Assessment Template to assist the Government in determining that the EIT products or services support Section 508 accessibility standards. Instructions for documenting accessibility via the HHS Section 508 Product Assessment Template may be found under Section 508 policy on the HHS Office on Disability Web site (http://www.hhs.gov/od).

(c) As prescribed in 339.201–70(c), the Contracting Officer shall add the following paragraph to the end of clause 352.239–72(b):

Prior to the Contracting Officer exercising an option for a subsequent performance period/additional quantity or adding funding for a subsequent performance period under this contract, as applicable, the Contractor must provide a Section 508 Annual Report to the Contracting Officer and Project Officer. Unless otherwise directed by the Contracting Officer in writing, the Contractor shall provide the cited report in accordance with the following schedule. Instructions for completing the report are available in the Section 508 policy on the HHS Office on Disability Web site under the heading Vendor Information and Documents. The Contractor’s failure to submit a timely and properly completed report may jeopardize the Contracting Officer’s exercising an option or adding funding, as applicable.

Schedule for Contractor Submission of Section 508 Annual Report

(To be completed by the Contracting Officer at time of contract/order award.)

352.242–70 Key personnel.

As prescribed in 342.302(c)(2), the Contracting Officer shall insert the following clause:

**KEY PERSONNEL (JANUARY 2006)**

The key personnel specified in this contract are considered to be essential to work performance. At least 30 days prior to diverting any of the specified individuals to other programs or contracts (or as soon as possible, if an individual must be replaced, for example, as a result of leaving the employ of the Contractor), the Contractor shall notify the Contracting Officer and shall submit comprehensive justification for the diversion or replacement request (including proposed substitutions for key personnel) to permit evaluation by the Government of the impact on performance under this contract. The Contractor shall not divert or otherwise replace any key personnel without the written consent of the Contracting Officer. The Government may modify the contract to add or delete key personnel at the request of the contractor or Government.

(End of clause)

352.242–71 Tobacco-free facilities.

As prescribed in 342.302(c)(3), the Contracting Officer shall insert the following clause:

**TOBACCO-FREE FACILITIES (JANUARY 2006)**

In accordance with Department of Health and Human Services (HHS) policy, the Contractor and its staff are prohibited from using tobacco products of any kind (e.g., cigarettes, cigars, pipes, and smokeless tobacco) while on any HHS property, including use in personal or company vehicles operated by Contractor employees while on an HHS property. This policy also applies to all subcontracts awarded under the contract or order. The term “HHS properties” includes all properties owned, controlled and/or leased by HHS when totally occupied by HHS, including all indoor and outdoor areas of such properties. Where HHS only partially occupies such properties, it includes all HHS-
