842.801 Notice of intent to disallow costs.

842.801–70 Audit assistance prior to disallowing costs.

If a contracting officer determines that costs should be disallowed during the performance of a cost reimbursement, fixed-price incentive, or fixed-price redetermination contract exceeding the thresholds specified in FAR 15.403–4, the contracting officer must request audit assistance. The VA OIG shall conduct audits of contracts for health care resources and contracting officers shall request such audits directly from that office. For all other types of contracts, the contracting officer must obtain an audit control number from Acquisition Resources Service and send a formal request to conduct the audit directly to the nearest Defense Contract Audit Agency (DCAA) office, referencing the audit control number and the project number (if any).

842.803 Disallowing costs after occurrence.

Contracting officers may approve or disapprove contractors’ vouchers for payment and process them to the servicing fiscal office. Such approval or disapproval must be within the limitations of the contracting officer’s warrant and the contract for which the voucher is submitted must be within the contracting officer’s delegation of contracting authority.
