the specified period. At the end of the specified time period for receipt of offers, the responsible offeror submitting the lowest priced offer will be in line for award.

(b) Except when it is determined not to be in the Government’s best interest, the Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are materially unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

852.273–73 Evaluation—health-care resources.

As prescribed in 873.110(d), in lieu of FAR provision 52.212–2, the contracting officer may insert a provision substantially as follows:

EVALUATION—HEALTH-CARE RESOURCES (JAN 2003)

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer, conforming to the solicitation, will be most advantageous to the Government, price and other factors considered. The following information or factors shall be used to evaluate offers:

[Contracting officer insert evaluation information or factors, such as technical capability to meet the Government’s requirements, past performance, or such other evaluation information or factors as the contracting officer deems necessary to evaluate offers. Price must be evaluated in every acquisition. The contracting officer may include the evaluation information or factors in their relative order of importance, such as in descending order of importance. The relative importance of any evaluation information must be stated in the solicitation.]

(b) Except when it is determined not to be in the Government’s best interest, the Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are materially unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

(c) If this solicitation is a request for proposals (RFP), a written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer’s specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(End of provision)

852.273–74 Award without exchanges.

As prescribed in 873.110(e), insert the following provision:

AWARD WITHOUT EXCHANGES (JAN 2003)

The Government intends to evaluate proposals and award a contract without exchanges with offerors. Therefore, each initial offer should contain the offeror’s best terms from a cost or price and technical standpoint. However, the Government reserves the right to conduct exchanges if later determined by the contracting officer to be necessary.
