of the acquisition process through application of reasonable controls, the DOE:

(1) Disseminates information on areas of broad technical concern whose solutions are considered relevant to the accomplishment of DOE’s assigned mission areas;

(2) Encourages potential proposers to consult with program personnel before expending resources in the development of written unsolicited proposals;

(3) Endeavors to distribute unsolicited proposals to all interested organizations within DOE;

(4) Processes unsolicited proposals in an expeditious manner and, where practicable, keeps proposers advised as discrete decisions are made;

(5) Assures that each proposal is evaluated in a fair and objective manner; and

(6) Assures that each proposal will be used only for its intended purpose and the information, subject to applicable laws and regulations, contained therein will not be divulged without prior permission of the proposer.

915.605 Content of unsolicited proposals.

(b)(5) Unsolicited proposals for non-nuclear energy demonstration activities not covered by existing formal competitive solicitations or program opportunity notices may include a request for federal assistance or participation, and shall be subject to the cost sharing provisions of subpart 917.70.

915.606 Agency procedures.

(b) Unless otherwise specified in a notice of program interest, all unsolicited proposals should be submitted to the Unsolicited Proposal Manager, U.S. Department of Energy, National Energy Technology Laboratory P.O. Box 10940, MS 921–107, Pittsburgh, PA 15236–0940. If the proposer has ascertained the cognizant program office through preliminary contacts with program staff, the proposal may be submitted directly to that office. In such instances, the proposer should separately send a copy of the proposal cover letter to the unsolicited proposal coordinator to assure that the proposal is logged in the Department’s automated tracking system for unsolicited proposals.

915.607 Criteria for acceptance and negotiation of an unsolicited proposal.

(c) DOE’s cost participation policy at subpart 917.70, shall be followed in determining the extent to which the DOE will participate in the cost for the proposed effort.
