Office of the Secretary of Transportation

§ 19.47

competition or only one bid or offer is received in response to a solicitation.

3. The procurement, which is expected to exceed the small purchase threshold, specifies a “brand name” product.

4. The proposed award over the small purchase threshold is to be awarded to other than the apparent low bidder under a sealed bid procurement.

5. A proposed contract modification changes the scope of a contract or increases the contract amount by more than the amount of the small purchase threshold.

(f) Additional procurement procedures.

2. Section 511(a)(16) of the Airport and Airway Improvement Act of 1982, 49 U.S.C. app. 2210, requires FAA recipients and subrecipients to extend the use of qualifications-based (e.g., architectural and engineering services) contract selection procedures to certain other related areas and to award such contracts in the same manner as Federal contracts for architectural and engineering services are negotiated under Title IX of the 1949 Federal Property and Administrative Services Act, or equivalent airport sponsor qualifications based requirements. Non-regulatory guidance for FAA programs is contained in FAA Order 5100.38A and special conditions in grant awards.

3. Section 3(a)(2)(C) of the Federal Transit Act, as amended, (49 U.S.C. app. 1602(a)(2)(C)) prohibits the use of grant or loan funds to support procurements utilizing exclusionary or discriminatory specifications. Nonregulatory guidance is contained in FTA Circular 4220.1B, Third Party Contracting Guidelines, Chapter I, section 15 and Attachment A.

§ 19.45 Cost and price analysis.

Some form of cost or price analysis shall be made and documented in the procurement files in connection with every procurement action. Price analysis may be accomplished in various ways, including the comparison of price quotations submitted, market prices and similar indicia, together with discounts. Cost analysis is the review and evaluation of each element of cost to determine reasonableness, allocability and allowability.

§ 19.46 Procurement records.

Procurement records and files for purchases in excess of the small purchase threshold shall include the following at a minimum:

(a) Basis for contractor selection,
(b) Justification for lack of competition when competitive bids or offers are not obtained, and
(c) Basis for award cost or price.

§ 19.47 Contract administration.

A system for contract administration shall be maintained to ensure contractor conformance with the terms, conditions and specifications of the contract and to ensure adequate and timely follow up of all purchases. Recipients shall evaluate contractor performance and document, as appropriate, whether contractors have met the terms, conditions, and specifications of the contract.
