§ 23.73

(i) As an airport not meeting the criteria of paragraph (b)(3)(i) of this section, you must retain analysis and corrective actions in your records for three years and make it available to the FAA, on request, for their review.

(4) The FAA may impose conditions on the recipient as part of its approval of the recipient’s analysis and corrective actions including, but not limited to, modifications to your overall goal methodology, changes in your race-conscious/race-neutral split, or the introduction of additional race-neutral or race-conscious measures.

(5) You may be regarded as being in noncompliance with this part, and therefore subject to the remedies in §23.11 of this part and other applicable regulations, for failing to implement your ACDBE program in good faith if any of the following things occur:

(i) You do not submit your analysis and corrective actions to FAA in a timely manner as required under paragraph (b)(3) of this section;

(ii) FAA disapproves your analysis or corrective actions;

(iii) You do not fully implement:

(A) The corrective actions to which you have committed, or

(B) Conditions that FAA has imposed following review of your analysis and corrective actions.

(c) If information coming to the attention of FAA demonstrates that current trends make it unlikely that you, as an airport, will achieve ACDBE awards and commitments that would be necessary to allow you to meet your overall goal at the end of the fiscal year, FAA may require you to make further good faith efforts, such as modifying your race-conscious/race-neutral split or introducing additional race-neutral or race-conscious measures for the remainder of the fiscal year.
