§ 24.208 Aliens not lawfully present in the United States.

(a) Each person seeking relocation payments or relocation advisory assistance shall, as a condition of eligibility, certify:

(1) In the case of an individual, that he or she is either a citizen or national of the United States, or an alien who is lawfully present in the United States.

(2) In the case of a family, that each family member is either a citizen or national of the United States, or an alien who is lawfully present in the United States. The certification may be made by the head of the household on behalf of other family members.

(3) In the case of an unincorporated business, farm, or nonprofit organization, that each owner is either a citizen or national of the United States, or an alien who is lawfully present in the United States. The certification may be made by the principal owner, manager, or operating officer on behalf of other persons with an ownership interest.

(b) The certification provided pursuant to paragraphs (a)(1), (a)(2), and (a)(3) of this section shall indicate whether such person is either a citizen or national of the United States, or an alien who is lawfully present in the United States. (c) In computing relocation payments under the Uniform Act, if any member(s) of a household or owner(s) of an unincorporated business, farm, or nonprofit organization is (are) determined to be ineligible because of a failure to be legally present in the United States, no relocation payments may be made to him or her. Any payment(s) for which such household, unincorporated business, farm, or nonprofit organization would otherwise be eligible shall be computed for the household, based on the number of eligible household members and for the unincorporated business, farm, or nonprofit organization, based on the ratio of ownership between eligible and ineligible owners.

(d) The displacing Agency shall consider the certification provided pursuant to paragraph (a) of this section to be valid, unless the displacing Agency determines in accordance with paragraph (f) of this section that it is invalid based on a review of an alien’s documentation or other information that the Agency considers reliable and appropriate.

(e) Any review by the displacing Agency of the certifications provided...
