§ 244.15 Subjects to be addressed in a Safety Integration Plan not involving an amalgamation of operations.

If an applicant does not propose an amalgamation of operations conducted on properties subject to the transaction, the applicant shall not be required to file a Safety Integration Plan unless directed to do so by FRA.

§ 244.17 Procedures.

(a) Each applicant shall file one original of a proposed Safety Integration Plan with the Associate Administrator for Safety, FRA, 1200 New Jersey Avenue, SE., Mail Stop 25, Washington, DC, 20590, no later than 60 days after the date it files its application with the Surface Transportation Board.

(b) The applicant shall submit such additional information necessary to support its proposed Safety Integration Plan as FRA may require to satisfy the requirements of this part.

(c) The applicant shall coordinate with FRA to resolve FRA’s comments on the proposed Safety Integration Plan until such plan is approved.

(d) FRA will file its findings and conclusions on the proposed Safety Integration Plan with the Board’s Section of Environmental Analysis at a date sufficiently in advance of the Board’s issuance of its draft environmental documentation in the case to permit incorporation in the draft environmental document.

(e) Assuming FRA approves the proposed Safety Integration Plan and the Surface Transportation Board approves the transaction and adopts the Plan, each applicant involved in the transaction shall coordinate with FRA in implementing the approved Safety Integration Plan.

(f) During implementation of an approved Safety Integration Plan, FRA expects that an applicant may change and refine its Safety Integration Plan in response to unforeseen developments. An applicant shall communicate with FRA about such developments and submit amendments to its Safety Integration Plan to FRA for approval.

(g) During implementation of an approved Safety Integration Plan, FRA will inform the Surface Transportation Board about implementation of the plan at times and in a manner designed to aid the Board’s exercise of its continuing jurisdiction over the approved transaction in accordance with an agreement that FRA and the Board will enter into and execute. Pursuant to such agreement, FRA will consult with the Board at all appropriate stages of implementation, and will advise the Board on the status of the implementation process:

(1) For a period of no more than five years after the Board approves the transaction.

(2) For an oversight period for the transaction established by the Board, or

(3) Until FRA advises the Board in writing that the integration of operations subject to the transaction is complete, whichever is shorter.

(h) Request for Confidential Treatment. Each applicant requesting that advanced drafts of the proposed Safety Integration Plan and information in support of the proposed and approved plan that are filed with FRA receive confidential treatment shall comply with the procedures enumerated at 49 CFR 209.11.

§ 244.19 Disposition.

(a) Standard of review. FRA reviews an applicant’s Safety Integration Plan, and any amendments thereto, to determine whether it provides a reasonable assurance of safety at every step of the transaction. In making this determination, FRA will consider whether the plan:

(1) Is thorough, complete, and clear; and

(2) Describes in adequate detail a logical and workable transition from conditions existing before the transaction to conditions intended to exist after consummation of the transaction.

(b) Approval of the Safety Integration Plan and Amendments Thereeto. FRA approves a Safety Integration Plan, and any amendments thereto, that meets the standard set forth in paragraph (a) of this section.
