Office of Personnel Management

§ 550.1303 Hourly rates of basic pay.

(a) For firefighters with a regular tour of duty that does not include a basic 40-hour workweek (e.g., firefighters whose schedules generally consist of 24-hour shifts with a significant amount of designated standby and sleep time), the hourly rate of basic pay is computed by dividing the applicable annual rate of basic pay by 2756 hours. The resulting firefighter hourly rate of basic pay is multiplied by all nonovertime hours to determine the pay for those hours.

(b) For firefighters with a regular tour of duty that includes a basic 40-hour workweek, the hourly rate of basic pay is computed by dividing the
§ 550.1304 Overtime hourly rates of pay.

(a) For a firefighter who is covered by (i.e., nonexempt from) the overtime provisions of the Fair Labor Standards Act (FLSA), the overtime hourly rate of pay equals 1½ times the firefighter hourly rate of basic pay for that firefighter, as established under §550.1303(a) and (b)(2).

(b) For a firefighter who is exempt from the FLSA, the overtime hourly rate is computed as provided in §550.113(e).

(c) For any firefighter, overtime pay for any pay period is derived by multiplying the applicable overtime hourly rate by all overtime hours within that period.

§ 550.1305 Treatment as basic pay.

(a) The sum of pay for nonovertime hours that are part of a firefighter’s regular tour of duty (as computed under §550.1303) and the straight-time portion of overtime pay for hours in a firefighter’s regular tour of duty is treated as basic pay only for the following purposes:

(1) Retirement deductions and benefits under chapters 83 and 84 of title 5, United States Code;

(2) Life insurance premiums and benefits under chapter 87 of title 5, United States Code;

(3) Severance pay under section 5595 of title 5, United States Code;

(4) Cost-of-living allowances and post differentials under section 5941 of title 5, United States Code; and

(5) Advances in pay under section 5524a of title 5, United States Code.

(b) The straight-time portion of overtime pay for hours in a firefighter’s regular tour of duty is derived by multiplying the applicable firefighter hourly rate of basic pay computed under §550.1303(a) and (b)(2) by the number of overtime hours in the firefighter’s regular tour of duty.

(c) Pay for any nonovertime hours outside a firefighter’s regular tour of duty is computed using the firefighter hourly rate of basic pay as provided in §550.1303(a) and (b)(2), but that pay is not considered basic pay for any purpose, except in applying §§550.105 and 550.106.

(d) For firefighters compensated under §550.1303(b), pay for nonovertime hours within the regular tour of duty, but outside the basic 40-hour workweek, is basic pay only for the purposes listed in paragraph (a) of this section and for the purpose of applying §410.402(b)(6) of this chapter and §§550.105 and 550.106.

(e) Locality pay under 5 U.S.C. 5304 is basic pay for firefighters only to the extent provided in this subpart, §531.610 of this chapter, or other specific provision of law.
