§ 595.101 Purpose.

Section 5948 of title 5, United States Code, authorizes the payment of allowances to certain eligible Federal physicians who enter into service agreements with their agencies. These allowances are paid only to categories of physicians for which the agency is experiencing recruitment and retention problems and are fixed at the minimum amounts necessary to deal with such problems. The President has delegated regulatory responsibility for this program to the Director of OPM, acting in consultation with the Office of Management and Budget. This part contains the regulations, criteria and conditions which the Director of OPM, in consultation with the Director of the Office of Management and Budget, has prescribed for the administration of the physicians’ comparability allowance program. This part supplements and implements 5 U.S.C. 5948 and should be read together with that section of law.

§ 595.102 Who is covered by this program?

(a) This program covers individuals employed as physicians under the Federal pay systems listed in 5 U.S.C. 5948(g)(1), except as provided in 5 U.S.C. 5948(b). For the purposes of this part, an individual is employed as a physician only if he or she is serving in a position the duties and responsibilities of which could not be satisfactorily performed by an incumbent who is not a physician.
