§ 792.203 Child care subsidy programs; eligibility.

(a)(1) An Executive agency may establish a child care subsidy program in which the agency uses appropriated funds, in accordance with this subpart, to assist lower-income employees of the agency with their child care costs. The assistance may be provided for both full-time and part-time child care, and may include before-and-after-school programs and daytime summer programs.

(2) Two or more agencies may pool their funds to establish a child care subsidy program for the benefit of employees who are served by a Federally-sponsored child care center in a multi-tenant facility.

(3)(i) Except as provided under paragraph (a)(3)(ii) of this section, an agency may impose restrictions on the use of appropriated funds for its child care subsidy program based on consideration of employees’ needs, its own staffing needs, the local availability of child care, and other factors as determined by the agency. For example, an agency may decide to restrict eligibility for subsidies to—

(A) Full-time permanent employees;
(B) Employees using an agency on-site child care center;
(C) Employees using full-time child care; or
(D) Employees using child care in specific locations.

(ii) An agency may not limit the payment of subsidies to accredited child care providers.
(b) Subject to any restrictions applicable under paragraph (a)(3)(i) of this section, an employee who qualifies as a lower-income employee under the agency’s child care subsidy program is eligible to receive a child care subsidy for the care of each child under age 13 or, in the case of a disabled child, under age 18.

§ 792.204 Agency responsibilities; reporting requirement.

(a) Before funds may be obligated as provided in this subpart, an agency intending to initiate a child care subsidy program must provide notice to the Subcommittees on Financial Services and General Government of the House and Senate Appropriations Committees, as well as to OPM.

(b) Agencies must notify the committees referred to in paragraph (a) of this section and OPM annually of their intention to provide child care subsidies. Funds may be obligated immediately after the notifications have been made.

(c) Agencies are responsible for tracking the utilization of their funds and reporting the results to OPM in a manner prescribed by OPM.

(d) OPM will produce a biannual report on agencies’ use of the authority to pay child care subsidies; however, OPM will collect annual data from the agencies.

§ 792.205 Administration of child care subsidy programs.

(a) An agency may administer its child care subsidy program directly or by contract with another entity, using procedures prescribed under the Federal Acquisition Regulations. Regardless of what entity administers the program, the Federal agency is responsible for establishing how eligibility and subsidy amounts will be determined.

(b) An agency contract must specify that any unexpended funds will be returned to the agency after the contract is completed.

§ 792.206 Payment of subsidies.

(a) Payment of child care subsidies must be made directly to child care providers, unless one of the following exceptions applies:

(1) In overseas locations, the agency may pay the employee if the provider deals only in foreign currency.

(2) In unique circumstances, an agency may obtain written permission from OPM to pay the employee directly.

(b) An agency may make advance payments to a child care provider in certain circumstances, such as when the provider requires payment up to one month in advance of rendering services. An agency may not make advance payments for more than one month before the employee receives child care services except where an agency has contracted with another entity to administer the child care subsidy program, in which case the agency may advance payments to the entity administering the program as long as the requirements in §792.205(b) are met.
