decision will be communicated in writing to the federation, charitable organization, or PCFO, with a copy to the appropriate LFCC.

(2) The Director may withdraw federation status with respect to a national, international or local federation that makes a false certification or fails to comply with any directive of the Director, or to respond in a timely fashion to a request by the Director or LFCC for information or cooperation, including with respect to an investigation or in the settlement of disbursements. The LFCC may recommend the withdrawal of federation status with respect to a local federation. As stated in §§ 950.301(d) and 950.303(d), failure to meet minimum federation eligibility requirements shall not be deemed to be a withdrawal of federation status subject to a hearing on the record. Eligibility decisions shall follow the procedures in §§950.301(f) and 950.303(f).

A federation will be notified in writing of the Director’s intent to withdraw federation status for a period of up to one campaign period and will have 10 business days from the date of receipt of the notice to submit a written response. On receipt of the response, or in the absence of a timely response, the Director or representative shall set a date, time, and place for a hearing. The federation shall be notified at least 10 business days in advance of the hearing. A hearing shall be conducted by a hearing officer designated by the Director unless it is waived in writing by the federation. After the hearing is held, or after the Director’s receipt of the federation’s written waiver of the hearing, the Director shall make a final decision on the record, taking into consideration the recommendation submitted by the hearing officer. The Director’s final decision will be communicated in writing to the federation, with a copy to the appropriate LFCC.

Each federation, charitable organization or PCFO sanctioned or penalized under any provision of these regulations must demonstrate to the satisfaction of the Director that it has taken corrective action to resolve the reason for sanction and/or penalty and has implemented reasonable and appropriate controls to ensure that the situation will not occur again prior to being allowed to participate in subsequent CFCs and/or serving as a PCFO for a campaign.

(b) At the Director’s discretion, PCFO’s and Federations may be directed to suspend distribution of current and future CFC donations from Federal employees to recipient organizations. Federations and PCFO’s shall immediately place suspended contributions in an interest bearing account until directed to do otherwise.

Federations, PCFOs and other participants in the CFC shall retain documents pertinent to the campaign for at least three completed campaign periods. For example, documentation regarding the 2006 campaign must be retained through the completion of the 2007, 2008 and 2009 campaign periods (i.e. until early 2011). Documents requested by OPM must be made available within 10 business days of the request.

Each federation, federation member and unaffiliated organization applying for participation in the CFC must, as a condition of participation, complete a certification that it is in compliance with all statutes, Executive orders, and regulations restricting or prohibiting U.S. persons from engaging in transactions and dealings with countries, entities or individuals subject to economic sanctions administered by the U.S. Department of the Treasury’s Office of Foreign Assets Control (OFAC). Should any change in circumstances pertaining to this certification occur at any time, the organization must notify OPM’s Office of CFC Operations immediately. OPM will take such steps as it deems appropriate under the circumstances, including, but not limited to, notifying OFAC and/or other enforcement authorities of such change, suspending disbursement of CFC funds not yet disbursed, retracting (to the extent practicable) CFC funds already
