§ 5501.107 Teaching, speaking and writing by special Government employees in the Public Health Service.

(a) Applicability. This section applies to special Government employees in the Public Health Service who otherwise are prohibited from accepting compensation for teaching, speaking or writing that is related to their official duties, within the meaning of 5 CFR part 2635 and this part. HHS components may specify internal procedures governing the submission of prior approval requests and designate appropriate officials to act on such requests. An individual or class waiver under this paragraph may impose appropriate conditions, such as requiring execution of a written disqualification.
