§ 648.3 Relation to other laws.

(a) The relation of this part to other laws is set forth in § 600.705.

(b) Nothing in these regulations supersedes more restrictive state management measures for any of the species referenced in § 648.1 and, for Atlantic salmon, more restrictive local management measures.

§ 648.4 Vessel permits.

(a) Fishery specific permit information—(1) NE multispecies vessels. Except for vessels that have been issued a valid High Seas Fishing Compliance permit, have declared their intent to fish, and fish exclusively in the NAFO Regulatory Area as provided in § 648.17, any vessel of the United States, including a charter or party boat, must have been issued and have on board a valid multispecies permit to fish for, possess, or land multispecies frames used as, or to be used as, bait on a vessel fishing exclusively with pot gear are deemed not to be multispecies finfish for purposes of this part provided that there is a receipt for the purchase of those frames on board the vessel.

(1) Limited access multispecies permits—

(A) Eligibility. To be eligible to apply for a limited access NE multispecies permit, as specified in § 648.82, a vessel must have been issued a limited access NE multispecies permit for the preceding year, be replacing a vessel that
