§ 29.7 Safeguarding of Protected Critical Infrastructure Information.

(a) Safeguarding. All persons granted access to PCII are responsible for safeguarding such information in their possession or control. PCII shall be protected at all times by appropriate storage and handling. Each person who works with PCII is personally responsible for taking proper precautions to ensure that unauthorized persons do not gain access to it.

(b) Background Checks on Persons with Access to PCII. For those who require access to PCII, DHS will, to the extent practicable and consistent with the purposes of the Act, undertake appropriate background checks to ensure that individuals with access to PCII do not pose a threat to national security.
§ 29.8 Disclosure of Protected Critical Infrastructure Information.

The Under Secretary for Preparedness, the Assistant Secretary for Infrastructure Protection, or either’s designee may choose to provide or authorize access to PCII under one or more of the subsections below when it is determined that this access supports a lawful and authorized government purpose as enumerated in the CII Act or other law, regulation, or legal authority.

(b) Federal, State and Local government sharing. (c) Disclosure of information to Federal, State and local government contractors. Disclosure of PCII to Federal, State, and local contractors may be made when necessary for an appropriate purpose under the CII Act, and only after the PCII Program Manager or a PCII Officer certifies that the contractor is performing services in support of the purposes of the CII Act.
