§ 1250.353 Books and records.

Each handler subject to this subpart and persons subject to section 7(c) of the act shall maintain and make available for inspection by the Board under rules and regulations issued pursuant to this subpart all assessments collected in the manner and in the time specified by the Board.

§ 1250.354 Reports, books, and records.

Reports, books, and records.

Each handler subject to this subpart and persons subject to section 7(c) of the act shall maintain and make available for inspection by the Board under rules and regulations issued pursuant to this subpart all assessments collected in the manner and in the time specified by the Board.

(b) Handlers shall maintain such records as the Board may prescribe pursuant to rules and regulations issued by the Board.

(d) The Board with the approval of the Secretary may authorize other organizations or agencies to collect assessments in its behalf.
