§ 1429.101 Applicability.

(a) The regulations in this part are applicable to program applicants who produced both 2003- and 2007-crop asparagus. Asparagus producers may apply to the Commodity Credit Corporation (CCC) for a payment based on the actual quantity of their 2003 asparagus production and their share of that production.

(b) Total payments made through the Asparagus Revenue Marketing Loss Assistance Payment Program will not exceed $15 million, allocated as $7.5 million for fresh asparagus and $7.5 million for processed asparagus, less any reserve allocated for disputed claims.

§ 1429.102 Administration.

(a) The Asparagus Revenue Market Loss Assistance Payment Program will be administered under the general supervision of the Executive Vice President, CCC (Administrator, Farm Service Administration (FSA)), or a designee, and will be carried out in the field by FSA State and county committees and FSA employees.

(b) FSA State and county committees, and representatives and employees of those committees, do not have the authority to modify or waive any of the provisions of this part, except as provided in paragraph (e) of this section.

(c) The FSA State committee will take any action required by this part that has not been taken by the FSA county committee. The FSA State committee will also:

1. Correct or require correction of an action taken by an FSA county committee that is not in compliance with this part; and

2. Require an FSA county committee to not take an action or implement a decision that is not in compliance with the regulations of this part.

(d) No delegation in this part to an FSA State or county committee will preclude the Executive Vice President, CCC, or a designee, from determining any question for the Asparagus Revenue Marketing Loss Assistance Payment Program, or from reversing or modifying any determination made by a State or county committee.

(e) The Deputy Administrator for Farm Programs, FSA, may authorize FSA State and county committees to waive or modify program requirements that are not statutory in cases where failure to meet such requirements does not adversely affect the operation of the Asparagus Revenue Market Loss Assistance Payment Program.
