§ 1486.509 Are Recipients allowed to charge fees for specific activities in approved projects?

Reasonable activity fees or registration fees, if identified as such in a project budget, may be charged for projects approved for program funding. Income or refunds generated from an activity, however, for which the expenditures have been wholly or partially reimbursed, shall be repaid by submitting a check payable to CCC or offsetting the Recipient’s reimbursement claim. Any activity fees charged must be used to offset activity expenses. Such fees may not be used as profit or counted as cost-share. The intent to charge a fee must be part of the original proposal, along with an explanation of how such fees are to be used.

§ 1486.510 What is the policy regarding disclosure of program information?

(b) Progress reports, final performance reports, and the results of any research or other activity conducted by a Recipient under an agreement, shall be the property of the U.S. Government.

§ 1486.511 What is the general policy regarding ethical conduct?

(a) The Recipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent and any member of his or her immediate family, his or her partner, or an entity which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the Recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to sub-agreements. However, Recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the Recipient.

(b) A Recipient shall conduct its business in accordance with the laws and regulations of the country in which an activity is carried out.
