§ 1499.5 Agreements.

(a) After FAS approves an applicant’s proposal, FAS will develop an agreement in consultation with the applicant. The agreement will set forth the obligations of CCC and the participant. A participant must comply with the terms of the agreement to receive assistance.

(b) A participant shall not use donated commodities, sale proceeds, income or CCC-provided funds for any activity or any expenses incurred by the participant prior to the date of the agreement or after the agreement is suspended or terminated, except as approved by FAS.

(c) The agreement will include a budget that sets forth the maximum amounts of sale proceeds and CCC-provided funds that may be expended for various purposes under the agreement. A participant may make adjustments to this budget without prior approval from FAS only as specified in the agreement.

(d) Prior to providing any donated commodities or CCC-provided funds to a participant under an agreement, FAS may require the participant to complete a training program administered by FAS that is designed to ensure that the participant is aware of, and has the capacity to complete, all required reporting and audit functions set forth in this part.

(e) A participant will be prohibited from using CCC-provided funds to acquire goods and services, either directly or indirectly through another party, from certain countries that will be specified in the agreement. Any violation of this provision of the agreement will be a basis for immediate termination by CCC of the agreement, in addition to the imposition of any other applicable civil and criminal penalties.

(f) The agreement will prohibit the sale or transshipment of the donated commodities to a country not specified in the agreement for as long as such donated commodities are controlled by the participant.

(g) CCC may enter into a multi-country agreement in which donated commodities are delivered to one country and activities are carried out in another.

(h) CCC may provide donated commodities and CCC-provided funds under a multiyear agreement contingent upon the availability of commodities and funds.
