written partial liquidation plan submitted by the lender covering collateral that must be immediately protected or cared for in order to preserve or maintain its value. Approval of the partial liquidation plan must be in the best interest of the government. The approved partial liquidation plan is only good for those actions necessary to immediately preserve and protect the collateral and must be followed by a complete liquidation plan prepared by the lender in accordance with the requirements of paragraph XII A of the Lender’s Agreement.

D. Paragraph XI E 3. Final loss payments will be made within the 60 days required but only after a review by FmHA or its successor agency under Public Law 103–354 is conducted liquidation, after they have been submitted with the State’s recommendations to the Director, Business and Industry Division for prior review.

E. Paragraph XI E 2. State Directors are authorized to approve final reports of loss from the lender in separate written approval authorities issued in accordance with Subpart A of Part 1901 of this chapter. The State Director will submit to the Finance Office for payment any loss claims of the lender on Form FmHA or its successor agency under Public Law 103–354 499–30, “Loan Note Guarantee Report of Loss.” The Finance Office forwards loss payment checks to the State Director for delivery to lender. When a loss claim is involved on a particular loan guarantee, ordinarily one “Estimated Loss Report” will be authorized. Only one final “Report of Loss” will be authorized. A final Form FmHA or its successor agency under Public Law 103–354 499–30 must be filed with the Finance Office at the completion of all liquidations. Finance Office will use this form to close out the account.

F. Paragraph XI E 3. Final loss payments will be made within the 60 days required but only after a review by FmHA or its successor agency under Public Law 103–354 to assure that all collateral for the loan has been properly accounted for and liquidation expenses are reasonable and within approved limits. State Directors are responsible to see that such reviews are accomplished by the State within 30 days and final loss claims in excess of the State Director’s approval authority are forwarded to be accepted or otherwise resolved by the Director, Business and Industry Division within the 60-day period. Any estimated loss payments made to the lender must be taken into consideration when paying a final loss on the FmHA or its successor agency under Public Law 103–354 guaranteed loan. The estimated loss payment must be treated as a deduction from the principal amount of the loan and interest cannot be accrued on the principal amount of the loan that is equal to the estimated loss payment.

§ 1980.472 Protective advances.

[See §1980.65 subpart A of this part.]

Administrative

Refer to Appendix G of this subpart (available in any FmHA or its successor agency under Public Law 103–354 Office) for advice on how to interact with the lender on liquidations and property management.

A. Protective advances will not be made in lieu of additional loans, in particular, working capital loans. Protective advances are advances made by the lender for the purpose of preserving and protecting the collateral where the debtor has failed to and will not or cannot meet its obligations. Ordinarily, protective advances are made when liquidation is contemplated or in process. A precise rule of when a protective advance should be made is impossible to state. A common, but by no means the only, period when protective advances might be needed is during liquidation. At this point, the borrower and success of the project are no longer of paramount importance, but preserving collateral for maximum recovery is of vital importance. Elements which should always be considered include how close the project is to liquidation or default, how much control the borrower will have over the funds, what danger is there that collateral may be destroyed and whether there will be a good chance of saving the collateral later if a protective advance in contemplation of liquidation is made immediately. A protective advance must be an indebtedness of the borrower.

B. The State Director must approve, in writing, all protective advances on loans.
within his/her loan approval authority which exceed a total commulative advance of $500 to the same borrower. Protective advances must be reasonable when associated with the value of collateral being preserved.

C. When considering protective advances, sound judgment must be exercised in determining that the additional funds advanced will actually preserve collateral interests and recovery is actually enhanced by making the advance.

§ 1980.473 Additional loans or advances.

(Refer to paragraph XIII of Form FmHA or its successor agency under Public Law 103–354 449–35.)

Administrative

Only the State Director shall approve within his/her loan approval authority additional nonguaranteed loans or advances prior to or subsequent to the issuance of the Loan Note Guarantee. The State Director shall determine that there will be no adverse changes in the borrower's financial situation and that such loan or advance is not likely to adversely affect the collateral or the guaranteed loan.

§ 1980.474 [Reserved]

§ 1980.475 Bankruptcy.

(a) It is the lender’s responsibility to protect the guaranteed loan debt and all the collateral securing it in bankruptcy proceedings. These responsibilities include but are not limited to the following:

1. The lender will file a proof of claim where necessary and all the necessary papers and pleadings concerning the case.

2. The lender will attend and where necessary participate in meetings of the creditors and all court proceedings.

3. The lender, whose collateral is subject to being used by the trustee in bankruptcy, will immediately seek adequate protection of the collateral.

4. Where appropriate, the lender should seek involuntary conversion of a pending Chapter 11 case to a liquidating proceeding under Chapter 7 or under Section 1123(b) (4) or seek dismissal of the proceedings.

5. When permitted by the Bankruptcy Code, the lender will request modification of any plan of reorganization whenever it appears that additional recoveries are likely.

(b) In a Chapter 11 reorganization, if an independent appraisal of collateral is necessary in FmHA or its successor agency under Public Law 103–354’s opinion, FmHA or its successor agency under Public Law 103–354 and the lender will share such appraisal fee equally.

(c) Expenses on Chapter 11 reorganization, liquidating Chapter 11 or Chapter 7 (unless the lender is directly handling the liquidation) cases are not to be deducted from the collateral proceeds.

(d) Estimated loss payments. See paragraph XVI of Form FmHA or its successor agency under Public Law 103–354 449–35.

Administrative

Refer to Appendix G of this subpart (available in any FmHA or its successor agency under Public Law 103–354 office) for advice on how to interact with the lender on liquidation and property management.

A. It is the responsibility of the State Program Chief to see that FmHA or its successor agency under Public Law 103–354 is being fully informed by the lender in all bankruptcy cases.

B. All bankruptcy cases should be reported immediately to the National Office by utilizing and completing a problem/delinquent status report. The Regional Attorney must be informed promptly of the proceedings.

C. Chapter 11 pertains to a reorganization of a business contemplating an ongoing business rather than a termination and dissolution of the business where legal protection is afforded to the business as defined under Chapter 11 of the Bankruptcy Code. Consequently, expenses incurred by the lender in a Chapter 11 reorganization can never be liquidation expenses unless the proceeding becomes a Liquidating 11. If the proceeding should become a Liquidating 11, reasonable and customary liquidation expenses may be deducted from proceeds of collateral provided the lender is doing the actual liquidation of the collateral as provided by the Lender's Agreement. Chapter 7 pertains to a liquidation of the borrower's assets. If and when liquidation of the borrower's assets under Chapter 7 is conducted by the bankruptcy trustee, the lender cannot claim expenses.

D. The State Director may approve the repurchase of the unpaid guaranteed portion of the loan from the holder(s) to reduce interest accruals during Chapter 7 proceedings or
