The program participant must submit sufficient documentation, as required by the Secretary, to substantiate the school requirement for the educational expenses incurred by the program participant.

   (b) To maximize the number of agreements and to encourage qualified veterinarians to participate in the VMLRP, the Secretary may establish a loan repayment cap that differs from the cap established under paragraph (a)(1) and (a)(2) of this section when it is in the best interest of VMLRP. This will be identified in the RFA.
   (c) The Secretary will determine the debt threshold in the RFA.
   (d) Loan repayments will be made directly to the loan provider on a quarterly basis, starting with the end of the first quarter after the program eligibility date of the service agreement.    (e) Once a service agreement has been signed by both parties, the Secretary will obligate such funds as will be necessary to ensure that sufficient funds will be available to make loan repayments and tax payments, as specified in the service agreement, for the duration of the period of obligated service.    (g) Travel expenditures. The VMLRP will not reimburse a program participant for expenses associated with traveling from the program participant’s residence to the prospective practice site for the purpose of evaluating such site or the expenses of relocating from the program participant’s temporary or permanent residence to a practice site.
§ 3431.14 Priority.

Pursuant to NVMSA, the Secretary will give priority to agreements with veterinarians for the practice of food animal medicine in veterinarian shortage situations, as determined by the Secretary. The Secretary may establish additional criteria in the RFA for assigning priority levels to veterinarian shortage situations nominated for award.

(f) The service agreement shall include provisions addressing the granting of a waiver by the Secretary in case of hardship.

(h) During the term of the service agreement, the program participant shall agree that the Secretary or the designated VMLRP service provider is authorized to verify the status of each loan for which the Secretary will be reimbursing the participant.

(i) The service agreement shall contain certifications, as determined by the Secretary.

(j) The service agreement shall contain provisions addressing the income tax liability of the program participant and the availability of reimbursement of taxes incurred as a result of an individual’s participation in the VMLRP.

(k) Renewal. The service agreement may be renewed. However, renewal applications are subject to peer review and approval, acceptance is not guaranteed, and the position must still be considered a veterinarian shortage situation at the time of application for renewal. The Secretary may request additional documentation in connection with the review and approval of a renewal application. The Secretary reserves the right not to offer renewals. Any requests for renewal applications will be solicited via the RFA.

(l) The service agreement shall contain participant reporting requirements (e.g., quarterly, annual, and/or close-out) to allow for program monitoring and evaluation.

§ 3431.19 Payment and tax liability.

(a) Loan repayment. Loan repayments pursuant to a service agreement are made directly to a participant’s lender(s) by the Secretary or the VMLRP service provider. If there is more than one outstanding qualified educational loan, the Secretary will repay the loans in the following order, unless the Secretary determines significant savings to the program would result from paying loans in a different order of priority:

(1) Loans guaranteed by the U.S. Department of Education;

(2) Loans made or guaranteed by a State for which he or she is obligated, as the Secretary is not obligated to the lender/note holder for its commitment to the program participant.

(3) Loans made by a School; and

(4) Loans made by other entities, including commercial loans.

(b) Tax Liability Payments. Tax payments equal to 39 percent of the total loan repayment amount will be credited directly to the participant’s IRS (Federal tax) account simultaneously.
with each loan payment. The Secretary may make payments of an amount not to exceed 39 percent of the actual annual loan repayments made in a calendar year for all or part of the increased Federal, State, and local tax liability resulting from loan repayments received under the VMLRP. However, the Secretary may increase the cap, if appropriate. Supplementary payments for increased tax liability may be made for the actual amount of tax liability associated with the receipt of loan repayments under the VMLRP. Availability of these additional tax liability payments (i.e., in excess of 39 percent or other approved cap) will be identified in the RFA and in the participant service agreement. Program participants wishing to receive tax liability payments will be required to submit their requests for such payments in a manner prescribed by the Secretary and must provide the Secretary with any documentation the Secretary determines is necessary to establish a program participant’s increased tax liability. Tax liability payments in excess of 39 percent or other approved cap will be made on a reimbursement basis only.

(c) Under §3431.19(a) and (b), the Secretary will make loan and tax liability payments to the extent appropriated funds are available for these purposes.

§ 3431.20 Administration. The VMLRP will be administered by NIFA, Office of Extramural Programs (OEP). OEP may carry out this program directly or enter into agreements with another Federal agency or other service provider to assist in the administration of the VMLRP. However, the determination of the veterinarian shortage areas, peer review of individual VMLRP applications, and the overall VMLRP oversight and coordination will reside with the Secretary.

§ 3431.21 Breach.

(a) General. If a program participant fails to complete the period of obligated service incurred under the service agreement, including failing to comply with the applicable terms and conditions of a waiver granted by the Secretary, the program participant must pay to the United States an amount as determined in the service agreement. Payment of this amount shall be made within 90 days of the date that the program participant failed to complete the period of obligated service, as determined by the Secretary.

(b) Exceptions.

(1) A termination of service for reasons that are beyond the control of the program participant will not be considered a breach.

(2) A transfer of service from one shortage situation to another, if approved by the Secretary, will not be considered a breach.

(3) A call or order to active duty will not be considered a breach.

(c) The Secretary may renegotiate the terms of a participant’s service agreement in the event of a transfer, termination or call to active duty pursuant to paragraph (b) of this section.

(d) Amount of repayment. The service agreement shall provide the method for the calculation of the amount owed by a program participant who has breached a service agreement.

(e) Debt Collection. Individuals in breach of a service agreement entered into under this part are considered to owe a debt to the United States for the amount of repayment. Any such debt will be collected pursuant to the Department’s Debt Management regulations at 7 CFR part 3.

§ 3431.22 Waiver.

(a) A program participant may seek a waiver or suspension of the service or payment obligations incurred under this part by written request to the Secretary setting forth the bases, circumstances, and causes which support the requested action.

(b) The Secretary may waive any service or payment obligation incurred by a program participant whenever compliance by the program participant is impossible or would involve extreme hardship to the program participant and if enforcement of the service or payment obligation would be against equity and good conscience.

(1) Compliance by a program participant with a service or repayment obligation will be considered impossible if the Secretary determines, on the basis
§ 3431.23 Service to Federal government in emergency situations.

(a) The Secretary may enter into agreements of 1 year duration with veterinarians who have service agreements for such veterinarians to provide services to the Federal Government in emergency situations, as determined by the Secretary, under terms and conditions specified in the agreement.

(b) Pursuant to a service agreement under this section, the Secretary shall pay an amount, in addition to the amount paid, as determined by the Secretary and specified in the agreement, of the principal and interest of qualifying educational loans of the veterinarians. This amount will be provided in the RFA.

(c) Agreements entered into under this paragraph shall include the following:

(1) A veterinarian shall not be required to serve more than 60 working days per year of the agreement.

(2) A veterinarian who provides service pursuant to the agreement shall receive a salary commensurate with the duties and shall be reimbursed for travel and per diem expenses as appropriate for the duration of the service.

§ 3431.24 Reporting requirements, monitoring, and close-out.

VMLRP participants will be required to submit periodic reports per the terms and conditions of their service agreements. In addition, the Secretary is responsible for ensuring that a VMLRP participant is complying with the terms and conditions of their service agreement, including any additional reporting or close-out requirements.
