Coop. State Research, Education, and Extension Ser., USDA Pt. 3402

eliminated from competition and will be returned to the applicant. Proposals whose budgets exceed the maximum allowable amount for a particular program area as announced in the request for proposals may be considered as lying outside the guidelines.

(b) All applications will be reviewed carefully by the Director, qualified officers or employees of the Department, the respective merit review panel, and ad hoc reviewers, as required. Written comments will be solicited from ad hoc reviewers, when required, and individual written comments and in-depth discussions will be provided by peer review group members prior to recommending applications for funding. Applications will be ranked and support levels recommended within the limitation of total available funding for each research program area as announced in the applicable request for proposals.

(c) Except to the extent otherwise provided by law, such recommendations are advisory only and are not binding on program officers or on the awarding official.

§ 3401.17 Review criteria.

(a) Federally funded research supported under these provisions shall be designed to, among other things, accomplish one or more of the following purposes:

(1) Improve management of rangelands as an integrated system and/or watershed;

(2) Remedy unstable or unsatisfactory rangeland conditions;

(3) Increase revegetation and/or rehabilitation of rangelands;

(4) Examine the health of rangelands; and

(5) Define economic parameters associated with rangelands.

(b) In carrying out its review under §3401.16, the peer review panel will use the following form upon which the evaluation criteria to be used are enumerated, unless, pursuant to §3401.7(a), different evaluation criteria are specified in the annual solicitation of proposals for a particular program:

Peer Panel Scoring Form
Proposal Identification No. __________________________
Institution and Project Title __________________________

I. Basic Requirement:
