use of limited resources by generating a critical mass of expertise and activity focused on a targeted need area(s), increasing cost-effectiveness through achieving economies of scale, strengthening the scope and quality of a project’s impact, and promoting coalition building likely to transcend the project’s lifetime and lead to future ventures.

§ 3405.8 Complementary project proposals.

Institutions may submit proposals that are complementary in nature as defined in §3405.2(g). Such complementary project proposals may be submitted by the same or by different eligible institutions.

§ 3405.9 Use of funds for facilities.

Under the Higher Education Challenge Grants Program, the use of grant funds to plan, acquire, or construct a building or facility is not allowed. With prior approval, in accordance with the cost principles set forth in OMB Circular No. A–21, some grant funds may be used for minor alterations, renovations, or repairs deemed necessary to retrofit existing teaching spaces in order to carry out a funded project. However, requests to use grant funds for such purposes must demonstrate that the alterations, renovations, or repairs are incidental to the major purpose for which a grant is made.

Subpart C—Preparation of a Proposal

§ 3405.10 Program application materials.

Program application materials in an application package will be made available to eligible institutions upon request. These materials include the program announcement, the administrative provisions for the program, and the forms needed to prepare and submit grant applications under the program.

§ 3405.11 Content of a proposal.

(a) Proposal cover page. (1) Form NIFA–712, “Higher Education Proposal Cover Page,” must be completed in its entirety. Note that providing a Social Security Number is voluntary, but is an integral part of the NIFA information system and will assist in the processing of the proposal.

(2) One copy of the Form NIFA–712 must contain the pen-and-ink signatures of the Project Director(s) and authorized organizational representative for the applicant institution.

(3) The title of the project shown on the “Higher Education Proposal Cover Page” must be brief (80-character maximum) yet represent the major thrust of the project. This information will be used by the Department to provide information to the Congress and other interested parties.

(4) In block 7. of Form NIFA–712, enter “Higher Education Challenge Grants Program.”

(5) In block 8.a. of Form NIFA–712, enter “Teaching.” In block 8.b. identify the code for the targeted need area(s) as found on the reverse of the form. If a proposal focuses on multiple targeted need areas, enter each code associated with the project and place an asterisk (*) immediately following the code for the primary targeted need area. In block 8.c. identify the major area(s) of emphasis as found on the reverse of the form. If a proposal focuses on multiple areas of emphasis, enter each code associated with the project. This information will be used by program staff for the proper assignment of proposals to peer reviewers.

(6) In block 9. of Form NIFA–712, indicate if the proposal is a complementary project proposal or a joint project proposal as defined in §3405.2(g) and §3405.2(m), respectively, of this part. If it is not a complementary project proposal or a joint project proposal, identify it as a regular project proposal.

(7) In block 13. of Form NIFA–712, indicate if the proposal is a new, first-time submission or if the proposal is a resubmission of a proposal that has been submitted to, but not funded under, the Higher Education Challenge Grants Program in a previous competition.

(b) Table of contents. For ease in locating information, each proposal must contain a detailed table of contents just after the Proposal Cover Page. The Table of Contents should include page numbers for each component of the
