§ 3430.400

Subpart H—Organic Agriculture Research and Extension Initiative

Source: 75 FR 54761, Sept. 9, 2010, unless otherwise noted.

§ 3430.400 Applicability of regulations.

§ 3430.401 Purpose.

(a) The purpose of this program is to make competitive grants, in consultation with the Advisory Board, to support research and extension activities regarding organically grown and processed agricultural commodities.

(b) Grants may be made for the following purposes:

(1) Facilitating the development of organic agriculture production, breeding, and processing methods;

(2) Evaluating the potential economic benefits to producers and processors who use organic methods;

(3) Exploring international trade opportunities for organically grown and processed agricultural commodities;

(4) Determining desirable traits for organic commodities;

(5) Identifying marketing and policy constraints on the expansion of organic agriculture;

(6) Conducting advanced on-farm research and development that emphasizes observation of, experimentation with, and innovation for working organic farms, including research relating to production and marketing and to socioeconomic conditions;

(7) Examining optimal conservation and environmental outcomes relating to organically produced agricultural products; and

(8) Developing new and improved seed varieties that are particularly suited for organic agriculture.

§ 3430.402 Definitions.

The definitions applicable to the competitive grant programs under this subpart include:

Integrated project means a project that incorporates the research and extension components of the agricultural knowledge system around a problem or activity.

§ 3430.403 Eligibility.

Unless otherwise specified in the RFA, eligible applicants for the grant program implemented under this subpart include:

(a) State agricultural experiment stations;

(b) Colleges and universities (including junior colleges offering an associate’s degree);

(c) University research foundations;

(d) Other research institutions and organizations;

(e) Federal agencies;

(f) National laboratories;

(g) Private organizations or corporations;

(h) Individuals; and

(i) Any group consisting of 2 or more entities identified in paragraphs (a) through (i) of this section.

§ 3430.404 Project types and priorities.

For each RFA, NIFA may develop and include the appropriate project types and priority areas based on stakeholder input and as deemed appropriate by NIFA. Duration and amount of grants may vary depending on the type of project.

§ 3430.405 Funding restrictions.

(a) Construction. Funds made available for grants under this subsection shall not be used for the construction of a new building or facility or the acquisition, expansion, remodeling, or alteration of an existing building or facility (including site grading and improvement, and architect fees).

(b) Indirect costs. Subject to § 3430.54, indirect costs are allowable.

(c) Start-up businesses. NIFA does not fund start-up businesses under this subpart.

§ 3430.406 Matching requirements.

(a) In general. NIFA requires the recipient of a grant under this section to provide funds or in-kind support from non-Federal sources in an amount at least equal to the amount provided by the Federal Government.
