§ 59.204 Mandatory weekly reporting for swine.

(a) Weekly noncarcass merit premium report. Not later than 4 p.m. central time in accordance with § 59.10(b) on the first reporting day of each week, the corporate officers or officially designated representatives of each packer processing plant shall report to the Secretary a noncarcass merit premium report that lists:

(1) Each category of standard noncarcass merit premiums used by the packer in the prior slaughter week; and

(2) The dollar value (in dollars per hundred pounds of carcass weight) paid to producers by the packer, by category.

(b) Premium list. A packer shall maintain and make available to a producer, on request, a current listing of the dollar values (per hundred pounds of carcass weight) of each noncarcass merit premium used by the packer during the current or the prior slaughter week.

(c) Publication. The Secretary shall publish the information obtained under this subsection as soon as practicable, but not later than 5 p.m. central time, on the first reporting day of each week.

§ 59.205 Mandatory reporting of wholesale pork sales.

(a) Daily reporting. The corporate officers or officially designated representatives of each packer processing plant shall report to the Secretary at least twice each reporting day for barrows and gilts (once by 10 a.m. central time, and once by 2 p.m. central time) and once each reporting day for sows and boars (by 2 p.m. central time) the following information on total pork sales established on that day inclusive since the last reporting as described in § 59.10(b):

(1) The price for each wholesale pork sale, as defined herein, quoted in dollars per hundredweight on an F.O.B. Plant and an F.O.B. Omaha basis as outlined in § 59.205(d). The price shall include brokerage fees, if applicable. All direct, specific, and identifiable marketing costs (such as point of purchase material, marketing funds, accruals, rebates, and export costs) shall be deducted from the net price if applicable and known at the time of sale;

(2) The quantity for each pork sale, quoted by number of pounds sold; and

(3) The information regarding the characteristics of each sale is as follows:

(i) The type of sale;

(ii) Pork item description;

(iii) Pork item product code;

(iv) The product delivery period, in calendar days;

(v) The pork class (barrow/gilt, sow, boar);

(vi) Destination (Domestic, Export/Overseas, NAFTA);

(vii) Type of Refrigeration (Fresh, Frozen, age range of fresh product); and

(viii) Specialty pork product, if applicable

(b) Publication. The Secretary shall make available to the public the information obtained under paragraph (a) of this section not less frequently than twice each reporting day for gilt and barrow product and once each reporting day for sow and boar product.

(c) The Secretary shall obtain product specifications upon request.

(d) The Secretary shall provide freight information for the purpose of calculating prices on an F.O.B. Omaha basis. The Secretary shall provide this information periodically, but not less than quarterly.

Subpart D—Lamb Reporting

§ 59.300 Definitions.

The following definitions apply to this subpart.

Boxed lamb. The term “boxed lamb” means those carlot-based portions of a lamb carcass including fresh primals, subprimals, cuts fabricated from subprimals excluding portion-control cuts such as chops and steaks similar to those portion cut items described in the Institutional Meat Purchase Specifications (IMPS) for Fresh Lamb and Mutton Series 200, and thin meats (e.g., inside and outside skirts, pectoral meat, cap and wedge meat, and blade meat) not older than 14 days from date of manufacture, fresh ground lamb, lamb trimmings, and boneless processing lamb not older than 7 days from
date of manufacture; frozen primals, subprimals, cuts fabricated from subprimals, and thin meats not older than 180 days from date of manufacture; and frozen ground lamb, lamb trimmings, and boneless processing lamb not older than 90 days from date of manufacture.

Branded. The term “branded” means boxed lamb cuts produced and marketed under a corporate trademark (for example, products that are marketed on their quality, yield, or breed characteristics), or boxed lamb cuts produced and marketed under one of USDA’s Meat Grading and Certification Branch, Certified programs.

Carcass characteristics. The term “carcass characteristics” means the range and average carcass weight in pounds, the quality grade and yield grade (if applicable), and the lamb average dressing percentage.

Carlot-based. The term “carlot-based” means any transaction between a buyer and a seller destined for three or less delivery stops consisting of any combination of carcass weights. When used in reference to boxed lamb cuts the term “carlot-based” means any transaction between a buyer and seller consisting of 1,000 pounds or more of one or more individual boxed lamb items.

Established. The term “established”, when used in connection with prices, means that point in time when the buyer and seller agree upon a net price.

Formula marketing arrangement.

(1) When used in reference to live lambs, the term “forward contact” means an agreement for the purchase of lambs, executed in advance of slaughter, under which the base price is established by reference to publicly available prices.

(2) When used in reference to boxed lamb, the term “forward contract” means an agreement for the sale of boxed lamb, executed in advance of manufacture, under which the base price is established by reference to publicly available quoted prices.

Importer. The term “importer” means any person engaged in the business of importing lamb meat products who takes ownership of such lamb meat products with the intent to sell or ship in U.S. commerce. For any calendar year, the term includes only those that imported an average of 2,500 metric tons of lamb meat products per year during the immediately preceding 5 calendar years. Additionally, the term includes those that did not import an average of 2,500 metric tons of lamb meat products during the immediately preceding 5 calendar years, if the Secretary determines that the person should be considered an importer based on their volume of lamb imports.

Packer. The term “packer” means any person engaged in the business of buying lambs in commerce for purposes of slaughter, of manufacturing or preparing meat products from lambs for sale or shipment in commerce, or of marketing meats or meat products from lambs in an unmanufactured form acting as a wholesale broker, dealer, or distributor in commerce. For any calendar year, the term includes only a federally inspected lamb processing plant which slaughtered or processed the equivalent of an average of 75,000 head of lambs per year during the immediately preceding 5 calendar years. Additionally, the term includes a lamb processing plant that did not slaughter or process an average of 75,000 lambs during the immediately preceding 5 calendar years if the Secretary determines that the processing plant should be considered a packer after considering its capacity.

Packer-owned lambs. The term “packer-owned lambs” means lambs that a
packer owns for at least 14 days immediately before slaughter.

Type of purchase. The term “type of purchase” means a negotiated purchase, a formula market arrangement, and a forward contract.

Type of sale. The term “type of sale” with respect to boxed lamb, means a negotiated purchase, a formula market arrangement, and a forward contract.

Yield grade lamb carcass reporting. The term “yield grade lamb carcass reporting” means if the lot includes 80 percent or more of one yield grade, the lot will be considered a single yield grade lot. If the lot contains less than 80 percent of one yield grade, the lot will be considered a mixed grade lot and all yield grades comprising 10 percent or more will be used to describe the lot.

§ 59.301 Mandatory Daily Reporting for Lambs.

(a) In general. The corporate officers or officially designated representatives of each packer processing plant shall report to the Secretary at least once each reporting day not later than 2 p.m. central time the prices for lambs (per hundredweight) established on that day as F.O.B. feedlot or delivered at the plant, categorized to clearly delineate domestic from imported market purchases as described in §59.10(b) and categorized by:

1. The type of purchase;
2. The class of lamb;
3. The quantity of lambs purchased on a live weight basis;
4. The quantity of lambs purchased on a dressed weight basis;
5. A range and average of estimated live weights of lambs purchased;
6. An estimate of the percentage of the lambs purchased that were of a quality grade of Choice or better;
7. Any premiums or discounts associated with weight, quality grade, yield grade, or any type of purchase;
8. Lamb state of origin;
9. The pelt type; and
10. The estimated lamb dressing percentage.

(b) Publication. The Secretary shall make the information available to the public not less than once each reporting day.

§ 59.302 Mandatory weekly reporting for lambs.

(a) In general. The corporate officers or officially designated representatives of each packer processing plant shall report to the Secretary the following information applicable to the prior slaughter week contained in paragraphs (a)(1) through (a)(5) and (a)(7) of this section not later than 9 a.m. central time on the second reporting day of the current slaughter week, and the following information applicable to the prior slaughter week contained in paragraph (a)(6) of this section not later than 9 a.m. central time on the first reporting day of the current slaughter week categorized to clearly delineate domestic from imported market purchases:

1. The quantity of lambs purchased through a negotiated purchase that were slaughtered;
2. The quantity of lambs purchased through forward contracts that were slaughtered;
3. The quantity of lambs delivered under a formula marketing arrangement that were slaughtered;
4. The quantity and carcass characteristics of packer-owned lambs that were slaughtered;
5. The quantity, basis level, and delivery month for all lambs purchased through forward contracts;
6. The following information applicable to the current slaughter week. The range and average of intended premiums and discounts (including those associated with weight, quality grade, yield grade, or type of lamb) that are expected to be in effect for the current slaughter week; and
7. The following information for lambs purchased through a formula marketing arrangement and slaughtered during the prior slaughter week, categorized to clearly delineate domestic from imported market purchases:
   (i) The quantity (quoted in both numbers of head and pounds) of lambs;
   (ii) The weighted average price paid for a carcass, including applicable premiums and discounts;
   (iii) The range of premiums and discounts paid;
   (iv) The weighted average of premiums and discounts paid; and
   (v) The range of prices paid.
