§ 355.21 Marking and mailing requirements for plants imported, exported, or reexported by mail.

(a) Any terrestrial plant which is to be imported by mail and which may be imported under 50 CFR part 17 or part 23 only if accompanied by documentation, shall be mailed to Plant Protection and Quarantine (at a port authorized for such purpose by the U.S. Department of the Interior in 50 CFR part 24 pursuant to section 9(f) of the Act (16 U.S.C. 1538(f))); and shall be accompanied by a separate sheet of paper within the package plainly and correctly bearing the following information:

1. Genus and species, and quantity of each (if a hybrid, genus of each parent, and quantity of each hybrid),
2. Country and locality where collected from the wild or where produced from cultivated stock,
3. Name and address of shipper, owner, or person shipping or forwarding the plants, and
4. Serial number and type (e.g. permit, certificate) of document issued for the importation of the plant.

(Information collection requirements were approved by the Office of Budget and Management under control number 0579–0076)

§ 355.22 Validation of documentation.

(a) Documentation for any mailed or nonmailed terrestrial plant which is required to have documentation under 50 CFR part 17 or part 23 at the time of importation, must be validated by an inspector prior to movement of such plant from the Customs inspection area at the port of entry. The original documentation must be surrendered to the inspector at the time of validation.
(b) Documentation for any mailed or nonmailed terrestrial plant which is listed in 50 CFR 17.12 or 23.23 and which is required to have documentation under 50 CFR part 17 or part 23 at the time of exportation or reexportation, must be validated at the port of export or reexport by an inspector prior to the exportation or reexportation of such plant. The original and one copy of the documentation must be submitted for validation, and the copy must be surrendered to the inspector at the time of validation.

(c) Documentation for a plant shall be validated under this section upon endorsement of the documentation by an inspector when he or she determines that the plant was apparently eligible for importation, exportation, or reexportation in accordance with the provisions of this part and the provisions of 50 CFR chapter I relating to the Act and Convention.

(d) To obtain validation of documentation, the importer, exporter, or reexporter, or agent thereof, shall make available to an inspector:

1. All shipping documents (including bills of lading, waybills, packing lists, and invoices):

2. All documents required by the Act and Convention; and

3. The plant being imported, exported, or reexported.

(Information collection requirements were approved by the Office of Budget and Management under control number 0579–0076)

§ 355.23 Recordkeeping, access, and reports.

(a) Any person engaged in business as an importer, exporter, or reexporter of terrestrial plants listed in 50 CFR part 17 or part 23 shall keep such records as will fully and correctly disclose each importation, exportation, or reexportation of terrestrial plants made by such person and the subsequent disposition made by such person of the plants. Such records shall include shipping documents for each shipment of plants imported, exported, or reexported; a description of the form of the plants (such as whole live plants, cuttings, seeds, or other specific parts or derivatives of plants); the scientific and common names of the plants; the country or place of origin of the plants; the date and place of importation, exportation, or reexportation of the plants; the date and means of subsequent disposition of the plants, whether by sale, barter, consignment, loan, delivery, destruction, or other means; and names and addresses of persons to whom the plants were disposed, if applicable.

(b) Every record required to be kept under this section shall be kept for a period of 5 years after the occurrence of the transactions to which the records relate, and for such further time as the Deputy Administrator may require by written notice to the person required to keep such records under § 355.23 Recordkeeping, access, and reports.

Animal and Plant Health Inspection Service, USDA § 355.23

§ 355.23 Recordkeeping, access, and reports.

(a) Any person engaged in business as an importer, exporter, or reexporter of terrestrial plants listed in 50 CFR part 17 or part 23 shall keep such records as will fully and correctly disclose each importation, exportation, or reexportation of terrestrial plants made by such person and the subsequent disposition made by such person of the plants. Such records shall include shipping documents for each shipment of plants imported, exported, or reexported; a description of the form of the plants (such as whole live plants, cuttings, seeds, or other specific parts or derivatives of plants); the scientific and common names of the plants; the country or place of origin of the plants; the date and place of importation, exportation, or reexportation of the plants; the number (weight if the plants cannot be quantified by number) and specific location of plants; the date and means of subsequent disposition of the plants, whether by sale, barter, consignment, loan, delivery, destruction, or other means; and names and addresses of persons to whom the plants were disposed, if applicable.

(b) Every record required to be kept under this section shall be kept for a period of 5 years after the occurrence of the transactions to which the records relate, and for such further time as the Deputy Administrator may require by written notice to the person required to keep such records under
