Nuclear Regulatory Commission

§ 9.45

(4) Describe the likely impact on the public’s understanding of the subject as compared to the level of public understanding of the subject before disclosure;

(5) Describe the size and nature of the public to whose understanding a contribution will be made;

(6) Describe the intended means of dissemination to the general public;

(7) Indicate if public access to information will be provided free of charge or provided for an access fee or publication fee; and

(8) Describe any commercial or private interest the requester or any other party has in the agency records sought.

(c) The NRC will waive or reduce fees, without further specific information from the requester if, from information provided with the request for agency records made under §9.23(b), it can determine that disclosure of the information in the agency records is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Federal Government and is not primarily in the commercial interest of the requester.

(d) In making a determination regarding a request for a waiver or reduction of fees, the NRC will consider the following factors:

1. How the subject of the requested agency records concerns the operations or activities of the Federal Government;

2. How the disclosure of the information is likely to contribute significantly to public understanding of Federal Government operations or activities;

3. The extent to which, the requester has a commercial interest that would be furthered by the disclosure of the requested agency records; and whether that commercial interest exceeds the public interest in disclosure.

(e) The Freedom of Information Act and Privacy Act Officer will make an initial determination whether a request for a waiver or reduction of fees meets the requirements of this section. The Freedom of Information Act and Privacy Act Officer will inform requesters whenever their request for a waiver or reduction of fees is denied and will inform them of their appeal rights under §9.29.

§ 9.43 Processing requests for a waiver or reduction of fees.

(a) Within 20 working days after receipt of a request for access to agency records for which the NRC agrees to waive fees under §9.39 (a) through (d) or §9.41(c), the NRC will respond to the request as provided in §9.25.

(b) In making a request for a waiver or reduction of fees, a requester shall provide the information required by §9.41(b).

(c) After receipt of a request for the waiver or reduction of fees made in accordance with §9.41, the NRC will either waive or reduce the fees and notify the requester of the NRC’s intent to provide the agency records promptly or deny the request and provide a statement to the requester explaining why the request does not meet the requirements of §9.41(b).

(d) As provided in §9.29, a requester may appeal a denial of a request to waive or reduce fees to the Executive Director for Operations. The appeal must be submitted within 30 calendar days from the date of the notice.

§ 9.45 Annual report to the Attorney General of the United States.

(a) On or before February 1 of each year, the NRC will submit a report covering the preceding fiscal year to the Attorney General of the United States which shall include—

1. The number of determinations made by the NRC to deny requests for records made to the NRC under this part and the reasons for each determination;

2. The number of appeals made by persons under §9.29, the results of the appeals, and the reason for the action taken on each appeal that results in a denial of information;

3. A complete list of all statutes that the NRC relied upon to withhold information under subsection (b)(3) of 5 U.S.C. 552, a description of whether a court has upheld the decision of the NRC to withhold information under
