Semi-structured interview means an interview by a Designated Psychologist, or a psychologist under his or her supervision, who has the latitude to vary the focus and content of the questions depending on the interviewee’s responses.

Site Occupational Medical Director (SOMD) means the physician responsible for the overall direction and operation of the occupational medical program at a particular site.

Supervisor means the individual who has oversight and organizational responsibility for a person holding an HRP position, and whose duties include evaluating the behavior and performance of the HRP-certified individual.

Transfer means an HRP-certified individual moving from one site to another site.

Unacceptable damage means an incident that could result in a nuclear detonation; high-explosive detonation or deflagration from a nuclear explosive; the diversion, misuse, or removal of Category I special nuclear material; or an interruption of nuclear explosive operations with a significant impact on national security.

Unsafe practice means either a human action departing from prescribed hazard controls or job procedures or practices, or an action causing a person unnecessary exposure to a hazard.

(a) The following certification requirements apply to each individual assigned to, or applying for, a position that:

(1) Affords access to Category I SNM or has responsibility for transportation or protection of Category I quantities of SNM;

(2) Involves nuclear explosive duties or has responsibility for working with, protecting, or transporting nuclear explosives, nuclear devices, or selected components;

(3) Affords access to information concerning vulnerabilities in protective systems when transporting nuclear explosives, nuclear devices, selected components, or Category I quantities of SNM; or

(4) Is not included in paragraphs (a)(1) through (3) of this section but affords the potential to significantly impact national security or cause unacceptable damage and is approved pursuant to paragraph (b) of this section.

(b) The Manager or the HRP management official may nominate positions for the HRP that are not specified in paragraphs (a)(1) through (3) of this section or that have not previously been designated HRP positions. All such nominations must be submitted to and approved by either the NNSA Administrator, his or her designee, the Chief Health, Safety and Security Officer, or the appropriate Lead Program Secretarial Officer, or his or her designee.

(c) Before nominating a position for designation as an HRP position, the Manager or the HRP management official must analyze the risks the position poses for the particular operational program. If the analysis shows that more restrictive physical, administrative, or other controls could be implemented that would prevent the position from being designated an HRP position, those controls will be implemented, if practicable.

(d) Nothing in this part prohibits contractors from establishing stricter employment standards for individuals who are nominated to DOE for certification or recertification in the HRP.
§ 712.11  10 CFR Ch. III (1–1–14 Edition)

review for certification and recertification in accordance with this part. With respect to the DOE personnel security review:

(i) If the DOE personnel security review is not completed within the 12-month time period and the individual’s access authorization is not suspended, the HRP certification form shall be forwarded to the HRP certifying official for recertification or temporary removal, contingent upon a favorable security review;

(ii) If a final determination has been made by DOE personnel security that the access authorization has been suspended, the information noted on the certification form, and the procedures outlined in 10 CFR part 710, subpart A, shall be followed.

(iii) No use of any hallucinogen in the preceding five years and no experience of flashback resulting from the use of any hallucinogen more than five years before applying for certification or recertification;

(7) A psychological evaluation consisting of a generally accepted psychological assessment (test) and a semi-structured interview;

(8) An initial drug test and random drug tests for the use of illegal drugs at least once each 12 months using an evidential-grade breath alcohol device, as listed without asterisks on the Conforming Products List of Evidential Breath Measurement Devices published by the NHTSA (49 CFR part 40); and

(10) Successful completion of a counterintelligence evaluation, which includes a counterintelligence-scope polygraph examination in accordance with DOE’s Polygraph Examination Regulation, 10 CFR part 709, and any subsequent revisions to that regulation.

(b) Each HRP candidate must be certified in the HRP before being assigned to HRP duties and must be recertified annually, not to exceed 12 months between recertifications. For certification:

(1) Individuals in newly identified HRP positions must immediately sign the releases, acknowledgments, and waivers to participate in the HRP and complete initial instruction on the importance of security, safety, reliability, and suitability. If these requirements are not met, the individual must be removed from the HRP position.

(2) All remaining HRP requirements listed in paragraph (a) of this section must be completed in an expedited manner.

(c) Alcohol consumption is prohibited within an eight-hour period preceding scheduled work for individuals performing nuclear explosive duties and for individuals in specific positions designated by either the Manager, the NNSA Administrator, his or her designee, or the appropriate Lead Program Secretarial Officer, or his or her designee.

(d) Individuals reporting for unscheduled nuclear explosive duties and those specific positions designated by either the Manager, the NNSA Administrator or his or her designee, or the appropriate Lead Program Secretarial Officer, or his or her designee, will be asked prior to performing any type of work if they have consumed alcohol within the preceding eight-hour period. If they answer “no,” they may perform their assigned duties but still may be tested.

(e) HRP-certified individuals may be tested for alcohol and/or drugs in accordance with §712.15(b), (c), (d) and (e) if they are involved in an incident, unsafe practice, or an occurrence, or if there is reasonable suspicion that they may be impaired.
