§ 712.13 Supervisory review.

(a) The supervisor must ensure that each HRP candidate and each individual occupying an HRP position but not yet HRP certified, executes the appropriate HRP releases, acknowledgments, and waivers. If these documents are not executed:

(1) The request for HRP certification may not be further processed until these requirements are completed; and

(2) The individual is immediately removed from the position.

(b) Each supervisor of HRP-certified personnel must conduct an annual review of each HRP-certified individual during which the supervisor must evaluate information (including security concerns) relevant to the individual’s suitability to perform HRP tasks in a reliable and safe manner.

(c) The supervisor must report any concerns resulting from his or her review to the appropriate HRP management official. Types of behavior and conditions that would indicate a concern include, but are not limited to:

(4) Attempted or threatened destruction of property or life;

(5) Suicidal tendencies or attempted suicide;

(6) Use of illegal drugs or the abuse of legal drugs or other substances;

(12) Significant behavioral changes, moodiness, depression, or other evidence of loss of emotional control.

(d) The supervisor must immediately remove an HRP-certified individual from HRP duties, pursuant to §712.19, and temporarily reassign the individual to a non-HRP position if the supervisor believes the individual has demonstrated a security or safety concern that warrants such removal. If temporary removal is based on a security concern, the HRP management official must immediately notify the applicable DOE personnel security office and the HRP certifying official.

(1) Based on the DOE personnel security office recommendation, the HRP certifying official will make the final decision about whether to reinstate an individual into an HRP position.

(2) If temporary removal is based on a medical concern, the Designated Physician, the Designated Psychologist, or the SOMD must immediately recommend the medical removal or medical restriction in writing to the appropriate HRP management official, who will make the final determination in temporary removal actions and immediately notify the appropriate HRP certifying official.

(e) The supervisor must immediately remove from HRP duties any Federal employee who does not obtain HRP recertification. The supervisor may reassign the individual or realign the individual’s current duties. If these actions are not feasible, the supervisor must contact the appropriate personnel office for guidance.

(f) The supervisor who has been informed by the breath alcohol technician that an HRP-certified individual’s confirmatory breath alcohol test result
§ 712.14 Medical assessment.

(a) Purpose. The HRP medical assessment is performed to evaluate whether an HRP candidate or an HRP-certified individual:

(1) Represents a security concern; or

(2) Has a condition that may prevent the individual from performing HRP duties in a reliable and safe manner.

(b) When performed. (1) The medical assessment is performed initially on HRP candidates and individuals occupying HRP positions who have not yet received HRP certification. The medical assessment is performed annually for HRP-certified individuals, or more often as required by the SOMD.

(2) The Designated Physician and other examiners working under the direction of the Designated Physician also will conduct an evaluation:

(i) If an HRP-certified individual requests an evaluation (i.e., self-referral); or

(ii) If an HRP-certified individual is referred by management for an evaluation.

(c) Process. The Designated Physician, under the supervision of the SOMD, is responsible for the medical assessment of HRP candidates and HRP-certified individuals. In performing this responsibility, the Designated Physician or the SOMD must integrate the medical evaluations, available testing results, psychological evaluations, any psychiatric evaluations, a review of current legal drug use, and any other relevant information. This information is used to determine if a reliability, safety, or security concern exists and if the individual is medically qualified for his or her assigned duties. If a security concern is identified, the Designated Physician or SOMD must immediately notify the HRP management official, who notifies the applicable DOE personnel security office and appropriate HRP certifying official.

(d) Evaluation. The Designated Physician, with the assistance of the Designated Psychologist, must determine the existence or nature of any of the following:

(1) Physical or medical disabilities, such as a lack of visual acuity, defective color vision, impaired hearing, musculoskeletal deformities, and neuromuscular impairment;

(2) Mental-personality disorders or behavioral problems, including alcohol and other substance use disorders, as described in the Diagnostic and Statistical Manual of Mental Disorders;

(3) Use of illegal drugs or the abuse of legal drugs or other substances, as identified by self-reporting or by medical or psychological evaluation or testing;

(4) Threat of suicide, homicide, or physical harm; or

(5) Medical conditions such as cardiovascular disease, endocrine disease, cerebrovascular or other neurologic disease, or the use of drugs for the treatment of conditions that may adversely affect the judgment or ability of an individual to perform assigned duties in a reliable and safe manner.

(e) Job task analysis. Before the initial or annual medical assessment and psychological evaluation, employers must provide, to both the Designated Physician and Designated Psychologist, a job task analysis for each HRP candidate or HRP-certified individual. Medical assessments and psychological evaluations may not be performed if a job task analysis has not been provided.

(f) Psychological evaluations. Psychological evaluations must be conducted:
