Federal Housing Finance Agency

(d) Exception to prior approval. An employment agreement or contract subject to prior approval of the Director under this section may be entered into prior to that approval, provided that such agreement or contract specifically provides notice that termination benefits under the agreement or contract shall not be effective and no payments shall be made under such agreement or contract unless and until approved by the Director. Such notice should make clear that alteration of benefit plans subsequent to FHFA approval under this section, which affect final termination benefits of an executive officer, requires review at the time of the individual’s termination from the Enterprise and prior to the payment of any benefits.

(e) Effect of prior approval of an agreement or contract. The Director’s approval of an executive officer’s termination of employment benefits shall not preclude the Director from making any subsequent determination under this section to prohibit and withhold executive compensation.

(f) Form of approval. The Director’s approval pursuant to this section may occur in such form and manner as the Director shall provide through written notice to the regulated entities or the Office of Finance.

§ 1230.5 Submission of supporting information.

In support of the reviews and decisions provided for in this part, the Director may issue guidance, orders, or notices on the subject of information submissions by the regulated entities and the Office of Finance.
