(c)2(i) of this section, but the corrective plan would not become a part of the order, agreement, or response.

(d) Amendment of corrective plan. A regulated entity that is operating in accordance with an approved corrective plan may submit a written request to FHFA to amend the plan as necessary to reflect any changes in circumstance. Until such time that FHFA approves a proposed amendment, the regulated entity must continue to operate in accordance with the terms of the corrective plan as previously approved.

(e) Review of corrective plans and amendments. Within thirty (30) calendar days of receiving a corrective plan or proposed amendment to a plan, FHFA will notify the regulated entity in writing of its decision on the plan, will direct the regulated entity to submit additional information, or will notify the regulated entity in writing that FHFA has established a different deadline.

§ 1236.5 Failure to submit a corrective plan; noncompliance.

(a) Remedies. If a regulated entity fails to submit an acceptable corrective plan under §1236.4(b), or fails in any material respect to implement or otherwise comply with an approved corrective plan, FHFA shall order the regulated entity to correct that deficiency, and may:

(1) Prohibit the regulated entity from increasing its average total assets, as defined in 12 U.S.C. §16(b)(4), for any calendar quarter over its average total assets for the preceding calendar quarter, or may otherwise restrict the rate at which the average total assets of the regulated entity may increase from one calendar quarter to another;

(2) Prohibit the regulated entity from paying dividends;

(3) Prohibit the regulated entity from redeeming or repurchasing capital stock;

(4) Require the regulated entity to maintain or increase its level of retained earnings;

(5) Require an Enterprise to increase its ratio of core capital to assets, or require a Bank to increase its ratio of total capital, as defined in 12 U.S.C. §426(a)(5), to assets; or

(6) Require the regulated entity to take any other action that the Director determines will better carry out the purposes of the statute by bringing the regulated entity into conformance with the Standards.

(b) Extraordinary growth. If a regulated entity that has failed to submit an acceptable corrective plan or has failed in any material respect to implement or otherwise comply with an approved corrective plan, also has experienced extraordinary growth, FHFA shall impose at least one of the sanctions listed in paragraph (a) of this section, consistently with the requirements of 12 U.S.C. §513(b)(3).

(c) Orders—(1) Notice. Except as provided in paragraph (c)(4) of this section, FHFA will notify a regulated entity in writing of its intent to issue an order requiring the regulated entity to correct its failure to submit or its failure in any material respect to implement or otherwise comply with an approved corrective plan. Any such notice will include:

(i) A statement that the regulated entity has failed to submit a corrective plan under §1236.4, or has not implemented or otherwise has not complied in any material respect with an approved plan;

(ii) A description of any sanctions that FHFA intends to impose and, in the case of the mandatory sanctions required by 12 U.S.C. §513(b)(3), a statement that FHFA believes that the regulated entity has experienced extraordinary growth; and

(iii) The proposed date when any sanctions would become effective or the proposed date for completion of any required actions.

(2) Response to notice. A regulated entity may file a written response to a notice of intent to issue an order, which must be delivered to FHFA within fourteen (14) calendar days of the date of the notice, unless FHFA determines that a different time period is appropriate in light of the safety and soundness of the regulated entity or other relevant circumstances. The response should include:

(i) An explanation why the regulated entity believes that the action proposed by FHFA is not an appropriate exercise of discretion;
(ii) Any recommended modification of the proposed order; and
(iii) Any other relevant information, mitigating circumstances, documentation or other evidence in support of the position of the regulated entity regarding the proposed order.

(3) Failure to file response. A regulated entity’s failure to file a written response within the specified time period will constitute a waiver of the opportunity to respond and will constitute consent to issuance of the order.

(4) Immediate issuance of final order. FHFA may issue an order requiring a regulated entity immediately to take actions to correct a Standards deficiency or to take or refrain from taking other actions pursuant to paragraph (a) of this section. Within fourteen (14) calendar days of the issuance of an order under this paragraph, or other time period specified by FHFA, a regulated entity may submit a written appeal of the order to FHFA. FHFA will respond in writing to a timely filed appeal within sixty (60) days after receiving the appeal. During this period, the order will remain in effect unless FHFA stays the effectiveness of the order.

(d) Request for modification or rescission of order. A regulated entity subject to an order under this part may submit a written request to FHFA for an amendment to the order to reflect a change in circumstance. Unless otherwise ordered by FHFA, the order shall continue in place while such a request is pending before FHFA.

(e) Agency review and determination. FHFA will respond in writing within thirty (30) days after receiving a response or amendment request, unless FHFA notifies the regulated entity in writing that it will respond within a different time period. After considering a regulated entity’s response or amendment request, FHFA may:

(1) Issue the order as proposed or in modified form;
(2) Determine not to issue the order and instead issue a different order; or
(3) Seek additional information or clarification of the response from the regulated entity, or any other relevant source.
