

year after the year in which the company becomes subject to the Board's minimum regulatory capital requirements, unless the Board accelerates or extends the compliance date.

(2) A savings and loan holding company that meets the asset threshold after the date on which it is subject to minimum regulatory capital requirements must comply with the requirements of this subpart beginning with the stress test cycle that commences in the calendar year after the year in which the company becomes subject to the Board's minimum regulatory capital requirements, unless that time is extended by the Board in writing.

(d) *Ongoing application.* A bank holding company, savings and loan holding company, or state member bank that meets the asset threshold will remain subject to the requirements of this subpart unless and until its total consolidated assets fall below \$10 billion for each of four consecutive quarters, as reported on the FR Y-9C or Call Report, as applicable. The calculation will be effective on the as-of date of the fourth consecutive FR Y-9C or Call Report, as applicable.

(e) *Interaction with 12 CFR part 252, subpart G.* Notwithstanding paragraph (d) of this section, a bank holding company or savings and loan holding company that becomes a covered company as defined in subpart G of this part and conducts a stress test pursuant to that subpart is not subject to the requirements of this subpart.

(f) *Advanced approaches.* Notwithstanding any other requirement in this section, for a given stress test cycle, a bank holding company, savings and loan holding company, or state member bank's estimates of its pro forma regulatory capital ratios over the planning horizon shall not include estimates using the advanced approaches if the company is notified on or after the first day of that stress test cycle that it is required to calculate its risk-based capital requirements using the advanced approaches.

§ 252.154 Annual stress test.

(a) *General requirements*—(1) *Savings and loan holding companies with average total consolidated assets of \$50 billion or more and state member banks that are*

covered company subsidiaries. A savings and loan holding company with average total consolidated assets of \$50 billion or more or a state member bank that is a covered company subsidiary or must conduct a stress test by January 5 of each calendar year based on data as of September 30 of the preceding calendar year, unless the time or the as-of date is extended by the Board in writing.

(2) *Bank holding companies, savings and loan holding companies with total consolidated assets of less than \$50 billion, and state member banks that are not covered company subsidiaries.* Except as provided in paragraph (a)(1), a bank holding company, savings and loan holding company, or state member bank must conduct a stress test by March 31 of each calendar year using financial statement data as of September 30 of the preceding calendar year, unless the time or the as-of date is extended by the Board in writing.

(b) *Scenarios provided by the Board.* (1) *In general.* In conducting a stress test under this section, a bank holding company, savings and loan holding company, or state member bank must use the scenarios provided by the Board. Except as provided in paragraphs (b)(2) and (3) of this section, the Board will provide a description of the scenarios to each bank holding company, savings and loan holding company, or state member bank no later than November 15 of that calendar year.

(2) *Additional components.* (i) The Board may require a bank holding company, savings and loan holding company, or state member bank with significant trading activity, as determined by the Board and specified in the Capital Assessments and Stress Testing report (FR Y-14), to include a trading and counterparty component in its adverse and severely adverse scenarios in the stress test required by this section. The Board may also require a state member bank that is subject to 12 CFR part 208, appendix E and that is a subsidiary of a bank holding company subject to this § 252.154(b)(2)(i) or 12 CFR 252.144(b)(2)(i) to include a trading and counterparty component in the state member bank's adverse and severely adverse scenarios in the stress test required by this section. The data

§ 252.155

used in this component will be as of a date between October 1 and December 1 of that calendar year selected by the Board, and the Board will communicate the as-of date and a description of the component to the company no later than December 1 of the calendar year.

(ii) The Board may require a bank holding company, savings and loan holding company, or state member bank to include one or more additional components in its adverse and severely adverse scenarios in the stress test required by this section based on the company's financial condition, size, complexity, risk profile, scope of operations, or activities, or risks to the U.S. economy.

(3) *Additional scenarios.* The Board may require a bank holding company, savings and loan holding company, or state member bank to include one or more additional scenarios in the stress test required by this section based on the company's financial condition, size, complexity, risk profile, scope of operations, or activities, or risks to the U.S. economy.

(4) *Notice and response.* If the Board requires a bank holding company, savings and loan holding company, or state member bank to include one or more additional components in its adverse and severely adverse scenarios under paragraph (b)(2)(ii) of this section or to use one or more additional scenarios under paragraph (b)(3) of this section, the Board will notify the company in writing no later than September 30. The notification will include a general description of the additional component(s) or additional scenario(s) and the basis for requiring the company to include the additional component(s) or additional scenario(s). Within 14 calendar days of receipt of a notification under this paragraph, the bank holding company, savings and loan holding company, or state member bank may request in writing that the Board reconsider the requirement that the company include the additional component(s) or additional scenario(s), including an explanation as to why the reconsideration should be granted. The Board will respond in writing within 14 calendar days of receipt of the company's request. The Board will provide

12 CFR Ch. II (1–1–14 Edition)

the bank holding company, savings and loan holding company, or state member bank with a description of any additional component(s) or additional scenario(s) by December 1.

§ 252.155 Methodologies and practices.

(a) *Potential impact on capital.* In conducting a stress test under § 252.154, for each quarter of the planning horizon, a bank holding company, savings and loan holding company, or state member bank must estimate the following for each scenario required to be used:

(1) Losses, pre-provision net revenue, provision for loan and lease losses, and net income; and

(2) The potential impact on pro forma regulatory capital levels and pro forma capital ratios (including regulatory capital ratios and any other capital ratios specified by the Board), incorporating the effects of any capital actions over the planning horizon and maintenance of an allowance for loan losses appropriate for credit exposures throughout the planning horizon.

(b) *Assumptions regarding capital actions.* In conducting a stress test under § 252.154 of this part, a bank holding company or savings and loan holding company is required to make the following assumptions regarding its capital actions over the planning horizon—

(A) For the first quarter of the planning horizon, the bank holding company or savings and loan holding company must take into account its actual capital actions as of the end of that quarter; and

(B) For each of the second through ninth quarters of the planning horizon, the bank holding company or savings and loan holding company must include in the projections of capital—

(i) Common stock dividends equal to the quarterly average dollar amount of common stock dividends that the company paid in the previous year (that is, the first quarter of the planning horizon and the preceding three calendar quarters);

(ii) Payments on any other instrument that is eligible for inclusion in the numerator of a regulatory capital ratio equal to the stated dividend, interest, or principal due on such instrument during the quarter; and
