§ 546.4 Voluntary dissolution.

A Federal savings association’s board of directors may propose a plan for dissolution of the association. The plan may provide for either:

(a) Appointment of the Federal Deposit Insurance Corporation (under section 5 of the Act and section 11 of the Federal Deposit Insurance Act, as amended or section 21A of the Federal Home Loan Bank Act, as amended) as receiver for the purpose of liquidation;

(b) Transfer of all the association’s assets to another association or home-financing institutions under Federal or State charter either for cash sufficient to pay all obligations of the association and retire all outstanding accounts or in exchange for that association’s payment of all the association’s outstanding obligations and issuance of share accounts or other evidence of interest to the association’s members on a pro rata basis; or

(c) Dissolution in a manner proposed by the directors which they consider best for all concerned.

The plan, and a statement of reasons for proposing dissolution and for proposing the plan, shall be submitted to the OTS for approval. The OTS will approve the plan if the OTS believes dissolution is advisable and the plan best for all concerned, but if the OTS considers the plan inadvisable, the OTS may either make recommendations to the association concerning the plan or disapprove it. When the plan is approved by the association’s board of directors and by the OTS, it shall be submitted to the association’s members at a duly called meeting and, when approved by a majority of votes cast at that meeting, shall become effective. After dissolution in accordance with the plan, a certificate evidencing dissolution, supported by such evidence as the OTS may require, shall immediately be filed with the OTS. When the OTS receives such evidence satisfactory to the OTS, it will terminate the corporate existence of the dissolved association and the association’s charter shall thereby be canceled. A Federal savings association is not required to obtain approval under this section where the Federal savings association transfers all of its assets and liabilities to a bank in a transaction that is subject to §563.22(b) of this chapter.
