The processing District Office must determine that the CDC is in compliance with SBA’s regulations, policies, and performance benchmarks, including pre-approval and annual review by SBA of any management or staff contracts, and the timely submission of all annual reports. In making its recommendation on the application, the District Office may consider any information presented to it regarding the requesting CDC, the existing CDC, or CDCs that may be affected by the application, and the proposed Area of Operations.

(a) The SBA District office will submit the application, recommendation, and supporting materials within 60 days of the receipt of a complete application from the CDC to the D/FA, who will make the final decision. The D/FA may consider any information submitted or available related to the applicant and the application.

(b) SBA will notify the CDC of its decision in writing, and if the application is denied, the reasons for its decision.

(c) If a CDC is approved to operate as a Multi-State CDC, the CDC’s ALP, PCLP, or Priority CDC authority will carry over into every additional State in which it is approved to operate as a Multi-State CDC.

§ 120.839 Case-by-case application to make a 504 loan outside of a CDC’s Area of Operations.

A CDC may apply to make a 504 loan for a Project outside its Area of Operations to the District Office serving the area in which the Project will be located. The applicant CDC must demonstrate that it can adequately fulfill its 504 program responsibilities for the 504 loan, including proper servicing. In addition, the CDC must have satisfactory SBA performance, as determined by SBA in its discretion. The CDC’s Risk Rating, among other factors, will be considered in determining satisfactory SBA performance. Other factors may include, but are not limited to, on-site review/examination assessments, historical performance measures (like default rate, purchase rate and loss rate), loan volume to the extent that it impacts performance measures, and other performance related measurements and information (such as contribution toward SBA mission). The District Office may approve the application if:

(a) The applicant CDC has previously assisted the business to obtain a 504 loan; or

(b) The existing CDC or CDCs serving the area agree to permit the applicant CDC to make the 504 loan; or

(c) There is no CDC within the Area of Operations.

ACCREDITED LENDERS PROGRAM (ALP)

§ 120.840 Accredited Lenders Program (ALP).

(a) General. Under the ALP program, SBA designates qualified CDCs as ALP CDCs, gives them increased authority to process, close, and service 504 loans, and provides expedited processing of loan approval and servicing actions.

(b) Application. A CDC must apply for ALP status to the Lead SBA Office. The Lead SBA Office will send its recommendation and the application to the D/FA for final decision.

(c) Eligibility. In order for a CDC to be eligible to receive ALP status, its application must show that it meets the criteria set forth in §120.841.

(d) Additional application requirements. The CDC’s application must include the following:

(1) Certified copy of the CDC’s Board of Directors’ resolution authorizing the application for ALP status.

(2) Summary of the experience of each of the CDC’s loan processing, closing, and servicing staff members with significant authority.

(3) Name, address, and summary of experience of Designated Attorney.
(4) Documentation of any SBA required insurance.
(5) Any other documentation required by SBA.

(e) Term of ALP designation. SBA generally will designate a CDC as an ALP CDC for a two-year period. SBA may renew the designation for additional two-year periods if the CDC continues to meet the ALP program eligibility requirements.

(f) SBA approval or decline decision. SBA will notify the CDC in writing of an approval or decline of either an ALP application or of an ALP renewal. If the SBA approves the CDC’s application, the ALP CDC may exercise its ALP authority in its entire Area of Operations. If an application or renewal is declined, SBA will notify the CDC of the reasons for the decision.
