§ 126.616 What requirements must a joint venture satisfy to submit an offer on a HUBZone contract?

A joint venture may submit an offer on a HUBZone contract if the joint venture meets all of the following requirements:

(a) HUBZone joint venture. A qualified HUBZone SBC may enter into a joint venture with another qualified HUBZone SBC for the purpose of submitting an offer for a HUBZone contract. The joint venture itself need not be certified as a qualified HUBZone SBC.

(b) Size of concerns. (1) A joint venture of two or more qualified HUBZone SBCs may submit an offer for a HUBZone contract so long as each concern is small under the size standard corresponding to the NAICS code assigned to the contract and the HUBZone joint venture in the aggregate may exceed the size standard provided the procurement meets the following conditions:

(i) For a procurement having a revenue-based size standard, the procurement exceeds half the size standard corresponding to the NAICS code assigned to the contract; and

(ii) For a procurement having an employee-based size standard, the procurement exceeds $10 million.

(2) For a procurement that does not exceed the applicable dollar amount specified in paragraph (b)(1) of this section, a joint venture of two or more qualified HUBZone SBCs may submit an offer for a HUBZone contract so long as the qualified HUBZone SBCs in the aggregate are small under the size standard corresponding to the NAICS code assigned to the contract.

(c) Performance of work. The aggregate of the qualified HUBZone SBCs to the joint venture, not each concern separately, must perform the applicable percentage of work required by 13 CFR 125.6.

§ 126.617 Who decides contract disputes arising between a qualified HUBZone SBC and a contracting activity after the award of a HUBZone contract?

For purposes of the Disputes Clause of a specific HUBZone contract, the contracting activity will decide disputes arising between a qualified HUBZone SBC and the contracting activity.

[69 FR 29426, May 24, 2004]

§ 126.618 How does a HUBZone SBC’s participation in a Mentor-Protégé relationship affect its participation in the HUBZone Program?

(a) Qualified HUBZone SBCs may enter into Mentor-Protégé relationships in connection with other Federal programs, provided that such relationships do not conflict with the underlying HUBZone requirements.

(b) For purposes of determining whether an applicant to the HUBZone Program or a HUBZone SBC qualifies as small under part 121 of this chapter, SBA will not find affiliation between the applicant or qualified HUBZone SBC and the firm that is its mentor in a Federally-approved mentor-Protégé relationship (including a mentor that is other than small) on the basis of the mentor-Protégé agreement.

(c)(1) A qualified HUBZone SBC that is a prime contractor on a HUBZone contract may team with and subcontract work to its mentor.

(i) The HUBZone SBC must meet the applicable performance of work requirement set forth in §125.6(b) of this chapter.

(ii) SBA may find affiliation between a prime HUBZone contractor and its mentor subcontractor where the mentor will perform primary and vital requirements of the contract. See §121.103(f)(4) of this chapter.

(2) A qualified HUBZone SBC may not joint venture with its mentor on a HUBZone contract unless the mentor is also a qualified HUBZone SBC.
