or any other person authorized by the Director, the owner, operator, or agent in charge of the building or property being inspected refuses to allow entry or inspection, the Director may seek the assistance of the Department of Justice to obtain a warrant or other authorized judicial order enabling entry on to the property.

Preservation of Evidence

§ 270.330 Moving and preserving evidence.
(a) A Team and NIST will take all necessary steps in moving and preserving evidence obtained during the course of an investigation under the Act to ensure that such evidence is preserved.
(b) In collecting and preserving evidence in the course of an investigation under the Act, a Team and NIST will:
   (1) Maintain records to ensure that each piece of evidence is identified as to its source;
   (2) Maintain and document an appropriate chain of custody for each piece of evidence;
   (3) Use appropriate means to preserve each piece of evidence; and
   (4) Ensure that each piece of evidence is kept in a suitably secure facility.
(c) If a Federal law enforcement agency suspects and notifies the Director that a building failure being investigated by a Team under the Act may have been caused by a criminal act, the Team, in consultation with the Federal law enforcement agency, will take necessary actions to ensure that evidence of the criminal act is preserved and that the original evidence or copies, as appropriate, are turned over to the appropriate law enforcement authorities.

Information Created Pursuant to an Investigation

§ 270.340 Information created by investigation participants who are not NIST employees.

Unless requested sooner by the Lead Investigator, at the conclusion of an investigation, each investigation participant who is not a NIST employee shall transfer any original information they created pursuant to the investigation to NIST. An investigation participant may retain a copy of the information for their records but may not use the information for purposes other than the investigation, nor may they release, reproduce, distribute, or publish any information first developed pursuant to the investigation, nor authorize others to do so, without the written permission of the Director or their designee. Pursuant to 15 U.S.C. 281a, no such information may be admitted or used as evidence in any suit or action for damages arising out of any matter related to the investigation.

Protection of Information

§ 270.350 Freedom of Information Act.
As permitted by section 7(b) of the Act, the following information will not be released:
(a) Information described by section 552(b) of Title 5, United States Code, or protected from disclosure by any other law of the United States; and
(b) Copies of evidence collected, information created, or other investigation documents submitted or received by NIST, a Team, or any other investigation participant, until the final investigation report is issued.

§ 270.351 Protection of voluntarily submitted information.
Notwithstanding any other provision of law, a Team, NIST, any investigation participant, and any agency receiving information from a Team, NIST, or any other investigation participant, will not disclose voluntarily provided safety-related information if that information is not directly related to the building failure being investigated and the Director finds that the disclosure of the information would inhibit the voluntary provision of that type of information.

§ 270.352 Public safety information.
A Team, NIST, and any other investigation participant will not publicly release any information it receives in the course of an investigation under the Act if the Director finds that the disclosure might jeopardize public safety.
