(3) No person, including any derivatives clearing organization or any depository, that has received futures customer funds received by a derivatives clearing organization from a member to purchase, margin, guarantee, secure or settle the trades, contracts or commodity options of the clearing member’s futures customers and all money accruing to such futures customers as the result of trades, contracts or commodity options so carried shall be separately accounted for and segregated as belonging to such futures customers, and a derivatives clearing organization shall not hold, use or dispose of such futures customer funds except as belonging to such futures customers. (iii) A derivatives clearing organization shall deposit futures customer funds only with a depository that agrees to provide the Commission with a copy of the executed written acknowledgment no later than three business days after the opening of the
account or the execution of a new written acknowledgment for an existing account, as applicable. (iv) A derivatives clearing organization shall deposit futures customer funds only with a depository that agrees to reply promptly and directly to any request from the director of the Division of Clearing and Risk or the director of the Division of Swap Dealer and Intermediary Oversight, or any successor divisions, or such directors’ designees, for confirmation of account balances or provision of any other information regarding or related to an account.
