§ 49.18 Confidentiality and indemnification agreement.

(a) Purpose. This section sets forth the obligations of registered swap data repositories to execute a “Confidentiality and Indemnification Agreement” in connection with providing access to swap data to certain domestic and foreign regulators.

(b) Confidentiality and indemnification agreement. Prior to the registered swap data repository providing access to the swap data with any Appropriate Domestic or Appropriate Foreign Regulator as defined in § 49.17(b), the swap data repository shall receive a written agreement from each such entity stating that the entity shall abide by the confidentiality requirements described in Section 8 of the Act relating to the swap data that is provided; and each such entity shall agree to indemnify the swap data repository and the Commission for any expenses arising from litigation relating to the information provided under Section 8 of the Act.

(c) Certain appropriate domestic and foreign regulators with regulatory responsibility over a swap data repository. The requirements set forth above in paragraph (b) shall not apply to certain Appropriate Domestic and Foreign Regulators with regulatory responsibility over a swap data repository as described in § 49.17(d)(2) and (3). The swap data repository and such Appropriate Domestic or Foreign Regulator in each case is required to comply with Section 8 of the Act and any other relevant statutory confidentiality provisions.

§ 49.19 Core principles applicable to registered swap data repositories.

(a) Compliance with core principles. To be registered, and maintain registration, a swap data repository shall comply with the core principles as described in this paragraph. Unless otherwise determined by the Commission by rule or regulation, a swap data repository shall have reasonable discretion in establishing the manner in which the swap data repository complies with the core principles described in this paragraph.

(b) Antitrust considerations (Core Principle 1). Unless necessary or appropriate to achieve the purposes of the Act, a registered swap data repository shall avoid adopting any rule or taking any action that results in any unreasonable restraint of trade; or imposing any material anticompetitive burden on trading, clearing or reporting swaps.

(c) Governance arrangements (Core Principle 2). Registered swap data repositories shall establish governance arrangements as set forth in § 49.20.

(d) Conflicts of interest (Core Principle 3). Registered swap data repositories shall manage and minimize conflicts of interest and establish processes for resolving such conflicts of interest as set forth in § 49.21.

(e) Additional duties (Core Principle 4). Registered swap data repositories shall also comply with the following additional duties:

(1) Financial resources. Registered swap data repositories shall maintain sufficient financial resources as set forth in § 49.25.

(2) Disclosure requirements of registered swap data repositories. Registered swap data repositories shall furnish an appropriate disclosure document setting forth the risks and costs of swap data repository services as detailed in § 49.26; and

§ 49.20 Governance arrangements (Core Principle 2).

(a) General. (1) Each registered swap data repository shall establish governance arrangements that are transparent to fulfill public interest requirements, and to support the objectives of the Federal Government, owners, and participants.

(2) Each registered swap data repository shall establish governance arrangements that are well-defined and include a clear organizational structure with consistent lines of responsibility and effective internal controls, including with respect to administration, accounting, and the disclosure of confidential information. § 49.22 of this part contains rules on internal controls applicable to administration and accounting. § 49.16 of this part contains rules on internal controls applicable to the disclosure of confidential information.

(b) Transparency of Governance Arrangements. (1) Each registered swap data repository shall state in its charter documents that its governance arrangements are transparent to support, among other things, the objectives of the Federal Government pursuant to Section 21(f)(2) of the Act.

(2) Each registered swap data repository shall, at a minimum, make the following information available to the public and relevant authorities, including the Commission:

(i) The mission statement of the registered swap data repository;

(ii) The mission statement and/or charter of the board of directors, as well as of each committee of the registered swap data repository that has:

(A) The authority to act on behalf of the board of directors or

(B) The authority to amend or constrain actions of the board of directors;

(iii) The board of directors nomination process for the registered swap data repository, as well as the process for assigning members of the board of directors or other persons to any committee referenced in paragraph (b)(2)(ii) of this section;

(iv) For the board of directors and each committee referenced in paragraph (b)(2)(ii) of this section, the names of all members;

(v) A description of the manner in which the board of directors, as well as any committee referenced in paragraph (b)(2)(ii) of this section, considers an Independent Perspective in its decision-making process, as § 49.2(a)(14) of this part defines such term;

(vi) The lines of responsibility and accountability for each operational unit of the registered swap data repository to any committee thereof and/or the board of directors; and

(vii) Summaries of significant decisions implicating the public interest, the rationale for such decisions, and the process for reaching such decisions. Such significant decisions shall include decisions relating to pricing of repository services, offering of ancillary services, access to swap data, and use of Section 8 Material, other SDR Information, and intellectual property (as referenced in § 49.16 of this part). Such summaries of significant decisions shall not require the registered swap data repository to disclose Section 8 Material or, where appropriate, information that the swap data repository received on a confidential basis from a reporting entity.

(3) The registered swap data repository shall ensure that the information specified in paragraph (b)(2)(i) to (vii) of this section is current, accurate, clear, and readily accessible, for example, on its Web site. The swap data repository shall set forth such information in a language commonly used in the commodity futures and swap markets and at least one of the domestic language(s) of the jurisdiction in which the swap data repository is located.

(4) Furthermore, the registered swap data repository shall disclose the information specified in paragraph (b)(2)(vii) of this section in a sufficiently comprehensive and detailed fashion so as to permit the public and relevant authorities, including the Commission, to understand the policies or procedures of the swap data repository implicated and the manner in which the decision implements or...
