

**§ 240.13d-2 Filing of amendments to Schedules 13D or 13G.**

(a) If any material change occurs in the facts set forth in the Schedule 13D (§ 240.13d-101) required by § 240.13d-1(a), including, but not limited to, any material increase or decrease in the percentage of the class beneficially owned, the person or persons who were required to file the statement shall promptly file or cause to be filed with the Commission an amendment disclosing that change. An acquisition or disposition of beneficial ownership of securities in an amount equal to one percent or more of the class of securities shall be deemed "material" for purposes of this section; acquisitions or dispositions of less than those amounts may be material, depending upon the facts and circumstances.

(b) Notwithstanding paragraph (a) of this section, and provided that the person filing a Schedule 13G (§ 240.13d-102) pursuant to § 240.13d-1(b) or § 240.13d-1(c) continues to meet the requirements set forth therein, any person who has filed a Schedule 13G (§ 240.13d-102) pursuant to § 240.13d-1(b), § 240.13d-1(c) or § 240.13d-1(d) shall amend the statement within forty-five days after the end of each calendar year if, as of the end of the calendar year, there are any changes in the information reported in the previous filing on that Schedule: *Provided, however,* That an amendment need not be filed with respect to a change in the percent of class outstanding previously reported if the change results solely from a change in the aggregate number of securities outstanding. Once an amendment has been filed reflecting beneficial ownership of five percent or less of the class of securities, no additional filings are required unless the person thereafter becomes the beneficial owner of more than five percent of the class and is required to file pursuant to § 240.13d-1.

(c) Any person relying on § 240.13d-1(b) that has filed its initial Schedule 13G (§ 240.13d-102) pursuant to that paragraph shall, in addition to filing any amendments pursuant to § 240.13d-2(b), file an amendment on Schedule 13G (§ 240.13d-102) within 10 days after the end of the first month in which the person's direct or indirect beneficial

ownership, computed as of the last day of the month, exceeds 10 percent of the class of equity securities. Thereafter, that person shall, in addition to filing any amendments pursuant to § 240.13d-2(b), file an amendment on Schedule 13G (§ 240.13d-102) within 10 days after the end of the first month in which the person's direct or indirect beneficial ownership, computed as of the last day of the month, increases or decreases by more than five percent of the class of equity securities. Once an amendment has been filed reflecting beneficial ownership of five percent or less of the class of securities, no additional filings are required by this paragraph (c).

(d) Any person relying on § 240.13d-1(c) and has filed its initial Schedule 13G (§ 240.13d-102) pursuant to that paragraph shall, in addition to filing any amendments pursuant to § 240.13d-2(b), file an amendment on Schedule 13G (§ 240.13d-102) promptly upon acquiring, directly or indirectly, greater than 10 percent of a class of equity securities specified in § 240.13d-1(d), and thereafter promptly upon increasing or decreasing its beneficial ownership by more than five percent of the class of equity securities. Once an amendment has been filed reflecting beneficial ownership of five percent or less of the class of securities, no additional filings are required by this paragraph (d).

(e) The first electronic amendment to a paper format Schedule 13D (§ 240.13d-101 of this chapter) or Schedule 13G (§ 240.13d-102 of this chapter) shall restate the entire text of the Schedule 13D or 13G, but previously filed paper exhibits to such Schedules are not required to be restated electronically. *See* Rule 102 of Regulation S-T (§ 232.102 of this chapter) regarding amendments to exhibits previously filed in paper format. Notwithstanding the foregoing, if the sole purpose of filing the first electronic Schedule 13D or 13G amendment is to report a change in beneficial ownership that would terminate the filer's obligation to report, the amendment need not include a restatement of the entire text of the Schedule being amended.

#### § 240.13d-3 Determination of beneficial owner.

(a) For the purposes of sections 13(d) and 13(g) of the Act a beneficial owner of a security includes any person who, directly or indirectly, through any contract, arrangement, understanding, relationship, or otherwise has or shares:

(1) Voting power which includes the power to vote, or to direct the voting of, such security; and/or,

(2) Investment power which includes the power to dispose, or to direct the disposition of, such security.

(b) Any person who, directly or indirectly, creates or uses a trust, proxy, power of attorney, pooling arrangement or any other contract, arrangement, or device with the purpose of effect of divesting such person of beneficial ownership of a security or preventing the vesting of such beneficial ownership as part of a plan or scheme to evade the reporting requirements of section 13(d) or (g) of the Act shall be deemed for purposes of such sections to be the beneficial owner of such security.

(c) All securities of the same class beneficially owned by a person, regardless of the form which such beneficial ownership takes, shall be aggregated in calculating the number of shares beneficially owned by such person.

(d) Notwithstanding the provisions of paragraphs (a) and (c) of this rule:

(1)(i) A person shall be deemed to be the beneficial owner of a security, subject to the provisions of paragraph (b) of this rule, if that person has the right

to acquire beneficial ownership of such security, as defined in Rule 13d-3(a) (§240.13d-3(a)) within sixty days, including but not limited to any right to acquire: (A) Through the exercise of any option, warrant or right; (B) through the conversion of a security; (C) pursuant to the power to revoke a trust, discretionary account, or similar arrangement; or (D) pursuant to the automatic termination of a trust, discretionary account or similar arrangement; provided, however, any person who acquires a security or power specified in paragraphs (d)(1)(i)(A), (B) or (C), of this section, with the purpose or effect of changing or influencing the control of the issuer, or in connection with or as a participant in any transaction having such purpose or effect, immediately upon such acquisition shall be deemed to be the beneficial owner of the securities which may be acquired through the exercise or conversion of such security or power. Any securities not outstanding which are subject to such options, warrants, rights or conversion privileges shall be deemed to be outstanding for the purpose of computing the percentage of outstanding securities of the class owned by such person but shall not be deemed to be outstanding for the purpose of computing the percentage of the class by any other person.

(ii) Paragraph (d)(1)(i) of this section remains applicable for the purpose of determining the obligation to file with respect to the underlying security even though the option, warrant, right or convertible security is of a class of equity security, as defined in §240.13d-1(i), and may therefore give rise to a separate obligation to file.

(2) A member of a national securities exchange shall not be deemed to be a beneficial owner of securities held directly or indirectly by it on behalf of another person solely because such member is the record holder of such securities and, pursuant to the rules of such exchange, may direct the vote of such securities, without instruction, on other than contested matters or matters that may affect substantially the rights or privileges of the holders of
