§ 270.8b–5 Time of filing original registration statement.

An investment company shall file a registration statement with the Commission on the appropriate form within three months after the filing of notification of registration under section 8(a) of the Act, provided that if the fiscal year of the company ends within the three months period, its registration statement may be filed within three months after the end of such fiscal year.

§ 270.8b–10 Requirements as to proper form.

Every registration statement or report shall be prepared in accordance with the form prescribed therefor by the Commission, as in effect on the date of filing. Any such statement or report shall be deemed to be filed on the proper form unless objection to the form is made by the Commission within thirty days after the date of filing.

§ 270.8b–11 Number of copies; signatures; binding.

(a) Three complete copies of each registration statement or report, including exhibits and all other papers and documents filed as a part thereof, shall be filed with the Commission.

(b) In the case of a registration statement filed on Form N-1A (§239.15A and §274.11A of this chapter), Form N-2 (§239.14 and §274.11a–1 of this chapter), Form N-3 (§239.17a and §274.11b of this chapter), Form N-4 (§239.17b and §274.11c of this chapter), or Form N-6 (§239.17c and §274.11d of this chapter), three complete copies of each part of the registration statement (including, if applicable, exhibits and all other papers and documents filed as part of Part C of the registration statement) shall be filed with the Commission.

(c) At least one copy of the registration statement or report shall be signed in the manner prescribed by the appropriate form. Unsigned copies shall be conformed. If the signature of any person is affixed pursuant to a power of attorney or other similar authority, a copy of such power of attorney or other authority shall also be filed with the registration statement or report.

(d) Each copy of a registration statement or report filed with the Commission shall be bound in one or more parts without stiff covers. The binding shall be made on the left-hand side and in such manner as to leave the reading matter legible.

(e) Signatures. Where the Act or the rules thereunder, including paragraph (c) of this section, require a document filed with or furnished to the Commission to be signed, the document should be manually signed, or signed using either typed signatures or duplicated or facsimile versions of manual signatures. When typed, duplicated or facsimile signatures are used, each signatory to the filing shall manually sign a signature page or other document authenticating, acknowledging, or otherwise adopting his or her signature that appears in the filing. Execute each such document before or at the time the filing is made and retain for a period of five years. Upon request, the registrant shall furnish to the Commission or its staff a copy of any or all documents retained pursuant to this section.

filed on paper larger than 8½ × 11 inches in size.

(b) In the case of a registration statement filed on Form N–1A (§§239.15A and 274.11A of this chapter), Form N–2 (§§239.14 and 274.11a–1 of this chapter), Form N–3 (§§239.17a and 274.11b of this chapter), Form N–4 (§§239.17b and 274.11c of this chapter), or Form N–6 (§239.17c and §274.11d of this chapter), Part C of the registration statement shall be filed on good quality, unglazed, white paper, no larger than 8½ × 11 inches in size, insofar as practicable. The prospectus and, if applicable, the Statement of Additional Information, however, may be filed on smaller-sized paper provided that the size of paper used in each document is uniform.

(c) The registration statement or report and, insofar as practicable all papers and documents filed as a part thereof, shall be printed, lithographed, mimeographed or typewritten. However, the registration statement or report or any portion thereof may be prepared by any similar process which, in the opinion of the Commission, produces copies suitable for permanent record. Irrespective of the process used, all copies of any such material shall be clear, easily readable and suitable for repeated photocopying. Debits in credit categories and credits in debit categories shall be designated so as to be clearly distinguishable as such on photocopies.

(d) The body of all printed registration statements and reports and all notes to financial statements and other tabular data included therein shall be in roman type at least as large as 10-point modern type. However, to the extent necessary for convenient presentation, financial statements and other statistical or tabular data, including tabular data in notes, may be set in type at least as large and as legible as 8-point modern type. All type shall be leaded at least 2-points.

(e) Registration statements and reports shall be in the English language. If any exhibit or other paper or document filed with a registration statement or report is in a foreign language, it shall be accompanied by a translation into the English language.

(f) Where a registration statement or report is distributed through an electronic medium, issuers may satisfy legibility requirements applicable to printed documents, such as paper size, type size and font, bold-face type, italics and red ink, by presenting all required information in a format readily communicated to investors, and where indicated, in a manner reasonably calculated to draw investor attention to specific information.

§270.8b–13 Preparation of registration statement or report.

The registration statement or report shall contain the numbers and captions of all items of the appropriate form, but the text of the items may be omitted provided the answers thereto are so prepared as to indicate to the reader the coverage of the items without the necessity of his referring to the text of the items or instructions thereto. However, where any item requires information to be given in tabular form, it shall be given in substantially the tabular form specified in the item. All instructions, whether appearing under the items of the form or elsewhere therein, are to be omitted from the registration statement or report. Unless expressly provided otherwise, if any item is inapplicable or the answer thereto is in the negative, an appropriate statement to that effect shall be made.
