of the application shall accompany each application as an exhibit thereto and, if necessary, shall be modified to reflect any amendments to such application.

(h) Definition of application. For purposes of this rule, an “application” means any application for an order of the Commission under the Act other than an application for registration as an investment adviser.

(i) The manually signed original (or in the case of duplicate original) one duplicate original of all registrations, applications, statements, reports, or other documents filed under the Investment Advisers Act of 1940, as amended, shall be numbered sequentially (in addition to any internal numbering which otherwise may be present) by handwritten, typed, printed, or other legible form of notation from the facing page of the document through the last page of that document and any exhibits or attachments thereto. Further, the total number of pages contained in a numbered original shall be set forth on the first page of the document.

§ 275.0–6 Incorporation by reference in applications.

(a) A person filing an application may, subject to the limitations of §228.10(f) and §229.10(d) of this chapter, incorporate by reference as an exhibit to such application any document or part thereof, including any financial statement or part thereof, previously or concurrently filed with the Commission pursuant to any act administered by the Commission. The incorporation may be made whether the matter incorporated was filed by such applicant or any other person. If any modification has occurred in the text of any such document since the filing thereof, the applicant shall file with the reference a statement containing the text of any such modification and the date thereof. If the number of copies of any document previously or concurrently filed with the Commission is less than the number required to be filed with the application which incorporates such document, the applicant shall file therewith as many additional copies of the document as may be necessary to meet the requirements of the application.

(b) Notwithstanding paragraph (a) of this section, a certificate of an independent public accountant or accountants previously or concurrently filed may not be incorporated by reference in any application unless the written consent of the accountant or accountants to such incorporation is filed with the application.
