Subpart B—Procedures Under the Government in the Sunshine Act

§ 375.202 Definitions and limitations on definitions.

(a) Definitions. For purposes of this subpart:

(1) Meeting means the deliberations of at least a quorum of the Commission where such deliberations determine or result in the joint conduct of official Commission business, except that such term does not include deliberations to determine whether to conduct a closed meeting.

(2) Portion of a meeting means the consideration during a meeting of a particular topic or item separately identified in the notice of Commission meeting described in §375.204.

(3) Open when used in the context of a Commission meeting or a portion thereof, means the public may attend and observe the deliberations of the Commission during such meeting or portion of a meeting consistent with the provisions of §375.203.

(4) Closed when used in the context of a Commission meeting or a portion thereof, means that the public may not attend or observe the deliberations of the Commission during such meeting or portion of such meeting.

(b) Limitations on other definitions in this chapter. For purposes of this subpart:

(1) Transcripts, minutes and electronic recordings of Commission meetings (whether or not prepared at the direction of the Commission) are not part of the “formal record” as defined in §388.101(c) of this chapter; and

(2) Transcripts, minutes and electronic recordings of Commission meetings (whether or not prepared at the direction of the Commission) are not part of the “public record” of the Commission as defined in §388.105(b) of this chapter.

§ 375.203 Open meetings.

(a) General rule. Except as provided in §375.206, meetings of the Commission will be open meetings.

(b) Public participation in open meetings. (1) Members of the public are invited to listen and observe at open meetings.

(2)(i) Subject to the provisions of paragraphs (b)(2)(ii), (iii), and (iv) of
this section, members of the public may record discussions at Commission meetings by means of electronic or other devices (including tape recorders, stenotype, stenomask, or shorthand). The photographing of Commission meetings by still or movie camera, or by video taping without lighting aids, is permitted.

(ii) Due to the limited space of the Commission meeting room, use of recording or photographic equipment which would require the user to move about the room during the meeting is not allowed. Recording and photographic equipment may be set up and used only in the public areas of the Commission meeting room as designated by the Commission.

(iii) Except for portable equipment which is used at an individual’s seat in the audience, equipment must be in place and ready to use prior to the start of the meeting or set up during a recess of the meeting. Such equipment may be removed only at the conclusion of the meeting or during a recess. A pre-arranged recess for the set up or removal of equipment may be requested through the Commission’s Director of the Division of Public Information.

(iv) No microphones may be placed on the tables used by the Commissioners and Staff.

(c) Physical arrangements. The Secretary shall be responsible for seeing that ample space, sufficient visibility, and adequate acoustics are provided for public observation of open meetings.

§ 375.204 Notice of meetings.

(a) Public announcements of meetings—

1) General rule. Except to the extent that information described in §375.205(a) (involving closed meetings) is exempt from disclosure, the Secretary shall announce at least one week before each Commission meeting, the time, place, and subject matter of the meeting, whether it is an open meeting or closed meeting, and the name and telephone number of the official designated by the Commission to respond to requests for information about the meeting.

2) Abbreviated notice. If the Commission determines by a majority of its members by a recorded vote that Commission business requires that a Commission meeting be called with less than one week’s notice as prescribed in paragraph (a)(1) of this section, the Secretary shall make public announcements of the time, place, and subject matter of such meeting and whether open or closed to the public, at the earliest practicable time.

(3) Change in the time or place. If there is a change in time or place of a meeting following the public announcement prescribed in paragraph (a)(1) or (2) of this section the Secretary shall publicly announce such change at the earliest practicable time.

(4) Change in the subject matter or the determination to open or close a meeting. The subject matter of a meeting, or the determination of the Commission to open or close a meeting or a portion of a meeting, may be changed following the public announcement prescribed in paragraph (a)(1) or (2) of this section only if:

(i) The Commission determines by a recorded vote by a majority of the membership that Commission business so requires and that no earlier announcement of the change is possible; and

(ii) The Secretary publicly announces such change and the vote of each member upon such change at the earliest practicable time.

(b) Stricken items. Notwithstanding the provisions of paragraph (a) of this section, individual items that have been announced for consideration at Commission meetings may be deleted without vote or notice.

(c) Definitions. For the purpose of this section, earliest practicable time, means as soon as practicable, which should in few, if any, instances be later than the commencement of the meeting or portion of the meeting in question.

(d) Informing public of meeting announcements. (1) The Secretary shall use reasonable means to assure that the public is fully informed of the public announcements required by this section. For example, such announcements may be posted on the Commission’s public notice boards, published in official Commission publications, or sent to the persons on a mailing list maintained for those who want to receive such material.
