§ 10.180 Certification.

(a) The foreign official’s meat-inspection certificate required by U.S. Department of Agriculture regulations (9 CFR 327.4) shall be modified to include the certification below when fresh, chilled, or frozen beef is to be entered under the provisions of subheadings 0201.20.10, 0201.30.02, 0202.20.02, 0202.20.10, Harmonized Tariff Schedule of the United States (HTSUS). The certification shall be made, prior to exportation of the beef, by an official of the government of the exporting country and filed with Customs with the entry summary or with the entry when the entry summary is filed at the time of entry. The requirements of this section shall be in addition to those requirements contained in 9 CFR 327.4. Appropriate officials of the exporting country should consult with the U.S. Department of Agriculture as to the beef grades or standards within their respective countries which will satisfy the certification requirements of paragraph (a) of this section: Canada.

§ 10.181–10.182 [Reserved]

CIVIL AIRCRAFT

§ 10.183 Duty-free entry of civil aircraft, aircraft engines, ground flight simulators, parts, components, and subassemblies.

(a) Applicability. Except as provided in paragraph (b) of this section, this section applies to aircraft, aircraft engines, and ground flight simulators, including their parts, components, and subassemblies, that qualify as civil aircraft under General Note 6(b) of the Harmonized Tariff Schedule of the United States (HTSUS) by meeting the following requirements:

1. The aircraft, aircraft engines, ground flight simulators, or their parts, components, and subassemblies, are used as original or replacement equipment in the design, development, testing, evaluation, manufacture, repair, maintenance, rebuilding, modification, or conversion of aircraft; and

2. They are either:

(i) Manufactured or operated pursuant to a certificate issued by the Administrator of the Federal Aviation Administration (FAA) under 49 U.S.C. 44704 or pursuant to the approval of the airworthiness authority in the country of exportation, if that approval is recognized by the FAA as an acceptable substitute for the FAA certificate; and

(ii) Covered by an application for such certificate, submitted to and accepted by the FAA, filed by an existing type and production certificate holder
