(3) *Sales ticket register.* In addition to the records required in §19.12(a) of this chapter, Class 9 warehouse proprietors must maintain a sales ticket register or similar accounting record for each warehouse entry. - (i) Warehouse entry number;
- (ii) Specific identifier, if applicable;
- (iii) Sales ticket date and number;
- (iv) Description;
- (v) Quantity; and
- (vi) Current balance.

As each warehouse entry is closed out, the warehouse proprietor must verify the sales ticket register total with the amount withdrawn so as to account for all merchandise so withdrawn and certify on the register that all the goods have been exported or sold to qualifying persons and organizations under part 148 of this chapter. The sales ticket register must be included in the permit file folder with or in lieu of the blanket permit summary, as provided in §19.6(d)(5) of this chapter. A copy of all sales tickets must be retained by the proprietor for not less than 5 years after the date of the last sales ticket in the entry. In lieu of placing a copy of sales tickets in each permit file folder, the warehouse proprietor may keep all sales tickets in a readily retrievable manner in a separate file.

Subpart E—Rewarehouse Entries

§ 144.41 Entry for rewarehouse.

(a) *Applicability.* When merchandise which has been withdrawn from warehouse for transportation to another port has arrived at the port of destination, it may be entered for rewarehouse by the consignee named in the withdrawal.

(b) *Form of entry.* An entry for rewarehouse shall be made in duplicate on Customs Form 7501 and shall contain all of the statistical information as provided in §141.61(e) of this chapter. The port director may require an extra

copy or copies of Customs Form 7501, annotated "PERMIT," for use in connection with the delivery of the merchandise to the warehouse. No declaration is required on the entry.

(c) *Combining separate shipments.* (1) Separate shipments consigned to the same consignee and received under separate withdrawals for transportation may be combined into one rewarehouse entry if the warehouse withdrawals are from the same original warehouse entry.

(2) Shipments covered by multiple warehouse entries, and shipped from a single warehouse under separate withdrawals for transportation, via a single conveyance, may be combined into one rewarehouse entry if consigned to the same consignee and deposited into a single warehouse. With the exception of alcohol and tobacco products, this procedure shall not be allowed for merchandise which is in any way restricted (for example, quota/visa). The combined rewarehouse entry shall have attached either copies of each warehouse entry package which is being combined into the single rewarehouse entry or a summary with pertinent information, that is, the date of importation, commodity description, size, HTSUS and entry numbers, for all entries withdrawn for consolidation as one rewarehouse entry. Any combining of separate withdrawals into one rewarehouse entry shall result in the rewarehouse entry being assigned the import date of the oldest entry being combined into the rewarehouse entry.

(3) Combining of separate shipments shall be prohibited in all other circumstances.

(d) *Bond.* A bond on Customs Form 301, containing the bond conditions set forth in §113.62 of this chapter shall be filed before a permit is issued on Customs Form 7501 for sending the merchandise to the bonded warehouse. However, no bond shall be required if the merchandise is entered by the consignee named in the original bond filed at the original port of entry, or if it is entered by a transferee who has established his right to withdraw the merchandise and has filed a bond in accordance with subpart C of this part.
